The Trees Of Mamre A Difficult Blessing:

The Trees of Mamre Shirley Emmett, 2018-05-24 Then Abraham removed his tent and came and dwelt by the trees of Mamre One night in the early 1800s the peace of a cotton plantation is shattered by screams Flames are climbing the walls of a manor near Chesapeake Bay where eleven year old Emily Spencer lives with her doting parents Emilys parents are injured in their attempt to rescue her from the fire Unable to care for their daughter the Spencers set in motion the events that will change Emilys life forever They ask friends to find their estranged son Edward so that he may take care of Emily Just before the fire Edward had asked the lovely Providence Montgomery to join and marry him in the Northwest Territory The young woman decides to take Emily with her on an arduous journey into the unknown Emilys nanny urges her son Andy who was born into slavery to accompany them As oxen drawn wagons pull them away from everything they hold dear the three discover a land where danger lurks and where plans take on a life of their own Torn between poignant memories and the terror of an unexpected encounter Emily strikes a bargain with God a bargain that later haunts her Who can help her find the direction she so desperately seeks In this frontier of melting snow and mysterious forests author Shirley Emmett weaves a lively tale of hope dreams and a literal and figurative journey of faith

Xavier Donald MACLEOD, 1866 **History of the Devotion to the Blessed Virgin Mary in North America** Xavier Donald MacLeod, 1866 Catholic literature in this country is not yet rich in works of a historical character and though not a few have appeared evincing great research and worthy of a high place there was still wanting a popular element which genius alone could supply by lending its charm to the often dry details of the historian The devotion to the Blessed Virgin in this country from its settlement to the present day was a theme which had been briefly touched upon by one or two writers Still it was a field which the late lamented author of the following pages entered with all the zeal and devotion of his ardent and impassioned character and as a necessary consequence he gave his work the stamp of his particular genius Few more gifted writers have appeared among us than Xavier Donald Macleod and in undertaking his work material was contributed by his numerous friends The writer of this one who had enjoyed that friendship from boyhood rejoicing to see him about to take up a subject so worthy of his talents furnished him an abundant material which he had collected and feels now perhaps too great a pleasure in his privilege in having contributed to so noble a work as that here presented to the Catholic public
