Inventing Authenticity Carrie Helms Tippen, 2018-08-12 In *Inventing Authenticity* Carrie Helms Tippen examines the rhetorical power of storytelling in cookbooks to fortify notions of southernness Tippen brings to the table her ongoing hunt for recipe cards and evaluates a wealth of cookbooks with titles like *Y all Come Over* and *Bless Your Heart* and famous cookbooks such as Sean Brock s *Heritage* and Edward Lee s *Smoke and Pickles* She examines her own southern history grounding it all in a thorough understanding of the relevant literature The result is a deft and entertaining dive into the territory of southern cuisine black eyed peas and cornbread fried chicken and fried okra pound cake and peach cobbler and a look at and beyond southern food tropes that reveals much about tradition identity and the yearning for authenticity Tippen discusses the act of cooking as a way to perform and therefore reinforce the identity associated with a recipe and the complexities inherent in attempts to portray the foodways of a region marked by a sometimes distasteful history *Inventing Authenticity* meets this challenge head on delving into problems of cultural appropriation and representations of race thorny questions about authorship and more The commonplace but deceptively complex southern cookbook can sustain our sense of

where we come from and who we are or who we think we are **The Rise** Marcus Samuelsson, 2020-10-27 An Eater Best Cookbook of Fall 2020 This groundbreaking new cookbook from chef bestselling author and TV star Marcus Samuelsson celebrates contemporary Black cooking in 150 extraordinarily delicious recipes It is long past time to recognize Black excellence in the culinary world the same way it has been celebrated in the worlds of music sports literature film and the arts Black cooks and creators have led American culture forward with indelible contributions of artistry and ingenuity from the start but Black authorship has been consistently erased from the story of American food Now in The Rise chef author and television star Marcus Samuelsson gathers together an unforgettable feast of food culture and history to highlight the diverse deliciousness of Black cooking today Driven by a desire to fight against bias reclaim Black culinary traditions and energize a new generation of cooks Marcus shares his own journey alongside 150 recipes in honor of dozens of top chefs writers and activists with stories exploring their creativity and influence Black cooking has always been more than soul food with flavors tracing to the African continent to the Caribbean all over the United States and beyond Featuring a mix of everyday food and celebration cooking this book also includes an introduction to the pantry of the African diaspora alongside recipes such as Chilled corn and tomato soup in honor of chef Mashama Bailey Grilled short ribs with a piri piri marinade and saffron tapioca pudding in homage to authors Michael Twitty and Jessica B Harris Crab curry with yams and mustard greens for Nyesha Arrington Spiced catfish with pumpkin leche de tigre to celebrate Edouardo Jordan Island jollof rice with a shout out to Eric Adjepong Steak frites with plantain chips and green vinaigrette in tribute to Eric Gestel Tigernut custard tart with cinnamon poached pears in praise of Toni Tipton Martin A stunning work of breadth and beauty The Rise is more than a cookbook It s the celebration of a movement Unpalatable Carrie Helms Tippen, 2025-01-15 The cookbook genre is highly conventional with an orientation toward celebration and success From glossy photographs to heartwarming stories and adjective rich ingredient lists the cookbook tradition primes readers for pleasure Yet the overarching narrative of the region is often one of pain loss privation exploitation poverty and suffering of various kinds While some cookbook writers go to great lengths to avoid reminding readers of this painful past others invoke that pain as a marker of southern authenticity Still others use stories of southern suffering as an opportunity to make space for reconciliation reparation or apology for past wrongs In Unpalatable Stories of Pain and Pleasure in Southern Cookbooks author Carrie Helms Tippen attempts to understand the unique rhetorical situation of the southern cookbook as it negotiates a tension between the expectations of the genre and the prevailing metanarratives of the southern experience one focused on pleasure and the other rooted in pain Through an analysis of commercially published southern cookbooks from the 1990s to the present Tippen examines the range of rhetorical purposes and strategies writers have employed some of which undermine the reality of a painful past and cause harm or violence and others which serve as tools for truth and reconciliation **Fruit** Nancie McDermott, 2017-02-14 Fruit collects a dozen of the South s bountiful locally sourced fruits in a cook s basket of fifty four luscious dishes savory and sweet

Demand for these edible jewels is growing among those keen to feast on the South's natural pleasures whether gathered in the wild or cultivated with care. Indigenous fruits here include blackberries, mayhaws, muscadine and scuppernong grapes, pawpaws, persimmons and strawberries. From old school Grape Hull Pie to Mayhaw Jelly Glazed Shrimp, McDermott's recipes for these less common fruits are of remarkable interest and incredibly tasty. The non-native fruits in the volume were eagerly adopted long ago by southern cooks and they include damson plums, figs, peaches, cantaloupes, quince and watermelons. McDermott gives them a delicious twist in recipes such as Fresh Fig Pie and Thai Inspired Watermelon Pineapple Salad. McDermott also illuminates how the South, from the Great Smoky Mountains to the Lowcountry, from the Mississippi Delta to the Gulf Coast, encompasses diverse subregional culinary traditions when it comes to fruit. Her recipes, including a favorite piecrust, provide a treasury of ways to relish southern fruits at their ephemeral peak and to preserve them for enjoyment throughout the year.
