Haskell, Norman Studer**

Thinking Cal Coolidge Inquiry Intellectual:

The Political Thought of Calvin Coolidge Thomas J. Tacoma, 2020-09-02 Calvin Coolidge lived during a time of constitutional transformation the Progressive Era and World War I before serving as President of the United States from 1923 1929 Thomas J Tacoma argues that Coolidge contended with this changing regime and world through as a Burkean conservative and an Americanist politician In *The Political Thought of Calvin Coolidge* Burkean Americanist Tacoma contextualizes Coolidge s thought in the Progressive milieu of the age and Coolidge s own educational background in New England and then presents the core of Coolidge s political thought civilization Tacoma maintains that Coolidge believed in civilization and that the traditional American political and economic order represented the highest achievements in western civilization Coolidge s speeches ranged across American history to defend the virtues of the American regime and in his political career he undertook to defend the constitutional regime he had inherited Coolidge famous for his emphasis on thrift likewise situated his views on economy within his larger vision of civilization and he mixed realism and idealism in his developed views on international relations Through extensive research Tacoma examines the way Coolidge responded to the challenge of upholding American civilization in the face of a changing world *Thinking Cal Coolidge* L. John Van Til, 2015-12-05 The main focus of this book centers on the thought of Calvin Coolidge Or as historians call it an exercise in intellectual history Thus the focus zeros in on how Coolidge was influenced fundamentally by the thinking of his Amherst professors especially philosophy professor Charles Garman Foreword **The Pursuit of Liberty** Jeffrey Rosen, 2025-10-21 The bestselling author of *The Pursuit of Happiness* shows how the opposing constitutional visions of Thomas Jefferson and Alexander Hamilton have defined our country for 250 years influenced presidents from Washington to Trump and continue to drive the debate over the power of government today In *The Pursuit of Liberty* bestselling author and president of the National Constitution Center Jeffrey Rosen explores the clashing visions of Hamilton and Jefferson about how to balance liberty and power in a debate that continues to define and divide our country Jefferson championed states rights and individual liberties while Hamilton pushed for a strong Federal government and a powerful executive This ongoing tug of war has shaped all the pivotal moments in American history including Abraham Lincoln s fight against slavery and southern secession the expansion of federal power under Franklin Roosevelt s New Deal and Ronald Reagan s and Donald Trump s conservative push to shrink the size of the federal government Rosen also shows how Hamilton and Jefferson s disagreement over how to read the Constitution has shaped landmark debates in Congress and the Supreme Court about executive power from John Marshall s early battles with Andrew Jackson to the current divisions among the justices on issues from presidential immunity to control over the administrative state More than ever the clash between Hamiltonian and Jeffersonian ideals resonates today in our most urgent national debates over the question of whether modern presidents are consolidating power and subverting the Constitution the very threat to American democracy that both Hamilton and Jefferson

were determined to avoid The Pursuit of Liberty is a compelling history of the opposing forces that have shaped our country since its founding and the ongoing struggle to define the balance between liberty and power **The Presidency and Political Science: Paradigms of Presidential Power from the Founding to the Present: 2014** Raymond Tatalovich, Steven E Schier, 2014-12-18 This history of presidential studies surveys the views of leading thinkers and scholars about the constitutional powers of the highest office in the land from the founding to the present Nation ,1926 The Industrial Digest ,1923 *Harper's Magazine* ,1926 Industrial Digest and Commodities & Finance ,1923 **The American Mercury** George Jean Nathan, Henry Louis Mencken, 1925 *Vanity Fair* ,1926 **Metropolitan Pulpit and Homiletic Monthly** ,1922 **The Truth Seeker** ,1928 **The Art of Straight Thinking** Edwin Leavitt Clarke, 1929 Canadian Unionist ,1927 **Books in Print** ,1977 Youth's Companion ,1927 *The Farmers' Advocate and Home Magazine* ,1924 *The Commercial and Financial Chronicle* ,1924 *The Homiletic Review* ,1922 Truth Seeker ,1925
