This Much I Know True:

I Know This Much Is True Wally Lamb, 1998-06-03 With his stunning debut novel *She's Come Undone* Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self discovery. Now this brilliantly talented writer returns with *I Know This Much Is True* a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and connection, power and abuse, devastation and renewal, this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself the myth instructs and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin, the tricky thing about saving yourself is the blood it leaves on your hands, the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest and being your brother's keeper, if you've promised your dying mother then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd or the view of the bedroom ceiling or the influence of random selection. Take it from a godless insomniac. Take it from the uncrazy twin, the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear by the paranoid schizophrenic twin brother he both deeply loves and resents and by the past they shared with their adoptive father Ray, a spit and polish ex-Navy man, the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night and their long suffering mother Concettina, a timid woman with a harelip that made her shy and self-conscious. She holds a loose fist to her face to cover her defective mouth, her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities, the seemingly strong and protective yet fearful Dominick, his mother's watchful monkey, and the seemingly weak and sweet yet noble Thomas, his mother's gentle bunny. From childhood Dominick fights for both separation and wholeness and ultimately self-protection in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness, pounced on it. Out of self-preservation I hid my fear. Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself Dominick must confront not only the pain of his past but the dark secrets he has locked deep within himself and the sins of his ancestors, a quest that will lead him beyond the confines of his blue collar New England town to the volcanic foothills of Sicily's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake, Domenico Tempesta, the *sostegno del famiglia* was born. Each of the stories Ma told us about Papa reinforced the message.

that he was the boss that he ruled the roost that what he said went Searching for answers Dominick turns to the whispers of the dead to the pages of his grandfather s handwritten memoir The History of Domenico Onofrio Tempesta a Great Man from Humble Beginnings Rendered with touches of magic realism Domenico s fablelike tale in which monkeys enchant and religious statues weep becomes the old man s confession an unwitting legacy of contrition that reveals the truth s of Domenico s life Dominick learns that power wrongly used defeats the oppressor as well as the oppressed and now picking through the humble shards of his deconstructed life he will search for the courage and love to forgive to expiate his and his ancestors transgressions and finally to rebuild himself beyond the haunted shadow of his twin Set against the vivid panoply of twentieth century America and filled with richly drawn memorable characters this deeply moving and thoroughly satisfying novel brings to light humanity s deepest needs and fears our aloneness our desire for love and acceptance our struggle to survive at all costs Joyous mystical and exquisitely written I Know This Much Is True is an extraordinary reading experience that will leave no reader untouched **A Sinister Vision: Know This Much Is True** A. You Can Master Your Fear Magdalena Scopelitis, 2012-06-26 Be the master of your fear and you can rule over your life Fear is the only obstacle between you and your dreams between you and what you most love So says Archangel Raphael who in this series of channelings unravels the mysteries of fear and through its darkest paths guides you step by step up to the glade of love He helps you tear away fears masks one by one till you come to know its real face only then does he teach you the ways to transmute it into love thus eliminating its disastrous implications According to Archangel Raphael fear shows that somewhere in the deepest part of your being you have chosen hatred versus love and your life cannot have real meaning Only when your fear is transformed can real life happen to you The end of your fear will signal the beginning of your life Until that day comes you will have just lived in a lie in an illusion I am only asking you to give me your fear Archangel Raphael adds and I will give back to you your love the most precious gift you ever had
