Fashionable Traditions Ayami Nakatani,2020-01-28 Textiles play a decisive role in history attire not only indicates status gender ethnicity and religion but illustrates how such boundaries are continuously being negotiated shifted and recreated Fashionable Traditions captures the complex reality of Asian handmade textile production and consumption From traditionalist discourse and cultural authenticity to fashion and market trends the contributors to this collection demonstrate the multilayered influence of often contradictory forces In depth ethnographic case studies reveal the entangled relationships between local artisans external interventions and consumers while acknowledging the broader frameworks in which such relationships are situated Together these stories offer a vivid account of the socio economic political and cultural dynamics in various parts of Asia and emphasize that fashion is neither a Western prerogative nor do its roots reside solely in the West

Ashes of Immortality Catherine Weinberger-Thomas,1999 At last she arrives at the fatal end of the plank and with her hands crossed

over her chest falls straight downward suspended for a moment in the air before being devoured by the burning pit that awaits her This grisly 1829 account by Pierre Dubois demonstrates the usual European response to the Hindu custom of sati sacrificing themselves on the funeral pyres of their husbands horror and revulsion Yet to those of the Hindu faith not least the sati themselves this act signals the sati s sacredness and spiritual power Ashes of Immortality attempts to see the sati through Hindu eyes providing an extensive experiential and psychoanalytic account of ritual self sacrifice and self mutilation in South Asia Based on fifteen years of fieldwork in northern India where the state banned practice of sati reemerged in the 1970s as well as extensive textual analysis Weinberger Thomas constructs a radically new interpretation of sati She shows that their self immolation transcends gender caste and class region and history representing for the Hindus a path to immortality

Personal Adornment and the Construction of Identity

Hannah V. Mattson, 2021-06-09 Objects of adornment have been a subject of archaeological historical and ethnographic study for well over a century Within archaeology personal ornaments have traditionally been viewed as decorative embellishments associated with status and wealth materializations of power relations and social strategies or markers of underlying social categories such as those related to gender class and ethnic affiliation Personal Adornment and the Construction of Identity seeks to understand these artefacts not as signals of steady pre existing cultural units and relations but as important components in the active and contingent constitution of identities Drawing on contemporary scholarship on materiality and relationality in archaeological and social theory this book uses one genre of material culture items of bodily adornment to illustrate how humans and objects construct one another Providing case studies spanning 10 countries three continents and more than 9 000 years of human history the authors demonstrate the myriad and dynamic ways personal ornaments were intertwined with embodied practice and identity performativity the creation and remaking of social memories and relational collections of persons materials and practices in the past The authors careful analyses of production methods and composition curation heirlooming and reworking decorative attributes and iconography position within assemblages and depositional context illuminate the varied material and relational axes along which objects of adornment contained social value and meaning When paired with the broad temporal and geographic scope collectively represented by these studies we gain a deeper appreciation for the subtle but vital roles these items played in human lives
