The Publishers' Circular and Booksellers' Record ,1929 *The Tower of Death: A Play in Five Acts* Alexandre Dumas,Frederic Gaillardet,2015-07-22 Tour de Nesle The Tower of Death is one of Alexandre Dumas's greatest and most

powerful plays a tale of power and conviction although its historical accuracy is far from certain Queen Marguerite and her sisters entertain themselves by luring unsuspecting men to the Tower which located across the Seine from the Louvre There they entice their victims to join them for wild sexual escapades all expressly forbidden of course by both Church and State Once satiated the ladies have their lovers murdered and the bodies dumped into the Seine One man Buridan manages to escape and uses his knowledge of what s taking place to force the Queen to make him Prime Minister In the end of course the secret cannot be maintained Dumas and Gaillardet have used a murky legend of misconduct by the daughters in law of King Philip the Fair to construct a compelling picture of life in court in the middle ages and its ruthless focus on power and sex Another stunning achievement by one of the greatest French writers **Lorenzino** Alexandre Dumas,2013-01-17 This powerful eloquent play moves like a Greek tragedy to its inevitable conclusion Dumas s drama is based on an actual event the assassination of Duke Alexander of Medici in 1537 by his cousin Lorenzo Lorenzino lures his relative to a trap under the pretext of providing him with a woman He gets close to the Duke by pandering to his lusts just so that he ll have the opportunity to kill him His plan ultimately works but results in the suicide of the woman Lorenzino loves and the complete discrediting of the assassin in the public eye Freedom from tyranny comes with a terrible price A first rate drama penned two years before *The Count of Monte Cristo* and *The Three Musketeers* *New York Magazine* ,1985-06-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Smoke and Mirrors* Mike James,2023-02-15 This is an official account of events that led to the evolution of GameGavel RETRO magazine the RETRO VGS and the Coleco Chameleon written by somebody who was involved and had inside information that has never been published before It is a factual account of events but more than that it is a human story of the man behind the GameGavel Network and the Retro VGS Coleco Chameleon and shows how one man s dream can quickly become a nightmare Mike Kennedy set out with good intentions and wanted to produce a video game console but somewhere along the way he lost control of his vision his empire and his livelihood At any stage he could have stopped the descent into madness but he chose to double down and forge ahead with one of the biggest scams in video game history Join Mike on his journey from hobby gamer to C E O and back again and experience his highs and lows along the way *The quick or the dead? Author's copyright ed* Amélie Rives,1889 *The Chautauquan* ,1909 *The New York Times Index* ,1920 *The Bookseller* ,1907 Official organ of the book trade of the United Kingdom **The Publishers Weekly** ,1889 **Selling Hollywood to the World** John Trumpbour,2007-09-21 The global expansion of Hollywood and American popular culture in the first decades of the twentieth century met with strong opposition throughout the world Determined to defeat such resistance the Hollywood

moguls created a powerful trade organization that worked closely with the US State Department in an effort to expand the American film industry's dominance worldwide. This book offers insight into and analysis of European efforts to overcome the American film industry's pre-eminence. It focuses particularly on Britain, Hollywood's largest overseas market of the interwar years; France, a nation with an alternative vision of cinema; and Belgium, which was entrusted by the Vatican with coordination of the international movement against depravity in films. In contributing to the understanding of American popular culture at home and abroad, this study demonstrates Hollywood's role in orchestrating the American Century.
