PAPER INFO	ABSTRACT
Received: January 2023 Revised: January 2023 Approved: January 2023	Background: The Law on Villages mandates that the nature of village development is as an effort to improve the quality of life for the maximum welfare of the village community. It indicates that village development must involve village communities in an empowerment pattern. Aim: This study aims to determine the role of collaborating stakeholders in the community empowerment for the economic welfare of the Panggungharjo village, identify the implementation of community empowerment as a basis for improving the community's economy through <i>BUMDes</i> there, and identify the success level of collaboration in economic empowerment as a strategy to build excellent and sustainable village communities there. Method: The research employed qualitative approach with descriptive methods. The data collection methods was interview with informants in Panggungharjo Village and documentation. Findings: The collaborative role of stakeholders in community empowerment can encourage the successful management of <i>BUMDes</i> and improve the economic welfare of the village. The implementation of community empowerment as a basis for increasing the community's economy through <i>BUMDes</i> in the village has involved community participation to become actors in <i>BUMDes</i> activities, in which the community involvement is substantial in all <i>BUMDes</i> business units. The collaboration in economic empowerment within <i>BUMDes</i> forum can be successful based on the achievements of <i>BUMDes</i>, namely the rapid increase in Village Locally-Generated Income (PAD) and the income of <i>BUMDes</i> which is consistently increasing, the number of business units in the <i>BUMDes</i> has grown, and the number of <i>BUMDes</i> business units has increased people's income and absorb workforce.

INTRODUCTION

Indonesia is a country with a large number of under-developed villages and the equitable development of villages, especially resources, local food products, and entrepreneurship has not been properly handled so several villages are still left behind. In overcoming these problems, responsive and concrete coordination steps are required. Community empowerment is an effort that is applicable and to be a priority to do, especially in villages located in vulnerable areas by utilizing village development (Cristina, 2020).

Therefore, it is necessary to strengthen community empowerment, the pattern of developing village apparatus human resources, as well as all stakeholders who can accelerate
