Visions Of The Heavenly Sphere A Study In Shaker Religious Art:

Visions of the Heavenly Sphere Edward Deming Andrews, Faith Andrews, Henry Francis du Pont Winterthur Museum, 1969 **Letters from a Young Shaker** William S. Byrd, 2021-10-21 In the early nineteenth century a young man belonging to the prominent Byrd family of Virginia the grandson of William Byrd III took up residence in the Shaker community at Pleasant Hill Kentucky Over the next two years 1826 1828 he wrote a series of letters to his father a federal judge in Ohio describing his experiences and his impressions of the United Society of Believers as the Shakers were formally called Eventually William S Byrd became a convert to the society and an advocate of its beliefs and practices His letters cut short by his father's death offer today's reader an intimate view of communal life among the Shakers at a time of considerable turmoil in their village In the correspondence of William S Byrd the Shaker experience is expressed in human terms and becomes a living faith The letters also record the trials associated with conversion to a religion that was socially unacceptable to many Americans of the time Some of their more poignant passages describe young Byrd's attempt to reconcile the tensions created by his membership in two families the one of blood and the one of faith Letters from a Young Shaker provides an unusually instructive commentary on life in a Shaker community on the questions agitating the community and on the appeal of Shakerism to Americans in the early nineteenth century In addition to the letters the book contains other documents bearing on William Byrd's relationship with the settlement at Pleasant Hill and an introduction placing him in the social and religious context of the period This book will appeal to historians of American society and to anyone interested in the Shaker way of life **Smitten** Rodney Hessinger, 2022-12-15 In *Smitten* Rodney Hessinger examines how the Second Great Awakening disrupted gender norms across a breadth of denominations The displacement and internal migration of Americans created ripe conditions for religious competition in the North Hessinger argues that during this time of religious ferment religious seekers could in turn play the missionary or the convert The dynamic of religious rivalry inexorably led toward sexual and gender disruption Contending within an increasingly democratic religious marketplace preachers had to court converts in order to flourish They won followers through charismatic allure and making concessions to the desires of the people Opening their own hearts to new religious impulses some religious visionaries offered up radical dispensations including new visions of how God wanted them to reorder sex and gender relations in society A wide array of churches including Methodists Baptists Mormons Shakers Catholics and Perfectionists joined the fray Religious contention and innovation ultimately produced backlash Charges of seduction and gender trouble ignited fights within and against churches Religious opponents insisted that the newly converted were smitten with preachers rather than choosing churches based on reason and scripture Such criticisms coalesced into a broader pan Protestant rejection of religious enthusiasm *Smitten* reveals the sexual disruptions and subsequent domestication of religion during the Second Great Awakening **Visions of the Heavenly Sphere** Edward Deming Andrews, 1969 Issachar Bates Carol

Medlicott, 2013 A biography of a key western Shaker in early America *Religious Diversity and American Religious History*

Walter H. Conser, Sumner B. Twiss, 1997 The ten essays in this volume explore the vast diversity of religions in the United States from Judaic Catholic and African American to Asian Muslim and Native American traditions Chapters on religion and the South religion and gender indigenous sectarian religious movements and the metaphysical tradition round out the collection The contributors examine the past present and future of American religion first orienting readers to historiographic trends and traditions of interpretation in each area then providing case studies to show their vision of how these areas should be developed Full of provocative insights into the complexity of American religion this volume helps us better understand America's religious history and its future challenges and directions **New York Historical Society Quarterly** New-York Historical Society, 1971 **The Edward Deming Andrews Memorial Shaker Collection** Henry Francis du Pont Winterthur Museum, 1987 Celebration, Studies in Festivity and Ritual Victor Witter Turner, 1982 Includes material on ceremonial masks Western Ashkenazic torah binders Canela initiation festivals potlatch ceremonies Chamula carnivals early 19th century Protestant radicals Penitentes fiestas and Juneteenth **The Gift** Lewis Hyde, 1999 Starting with the premise that the work of art is a gift and not a commodity this revolutionary book ranges across anthropology literature economics and psychology to show how the commerce of the creative spirit functions in the lives of artists and in culture as a whole **Under the Tree of Life** Gail Ramshaw, 1998 With feminism grafted on to Christianity how will the Church continue its growth Asking this question in a series of personal essays that reflect on the phenomenon of religion Gail Ramshaw proposes a way of Christian belief worship and ethics that grows out of the Bible Christian tradition and feminist consciousness In evocative prose marked by honest inquiry Ramshaw presents feminist Christianity as she hopes it will be intellectually respectable communally shared ritually profound and ethically inspiring **Subject Guide to Books in Print**, 1997 **The Southern Books Competition at Twenty-five**, 1980 The Publishers Weekly, 1969 *Antiques*, 1970-07
