Wiped The Curious History Of Toilet Paper:

Wiped Ronald H Blumer, 2013-05-21 FULL COLOR LARGE FORMAT EDITION How did people clean their rear ends before the invention of paper The ancient Greeks used stones Really This rear window view of the history of the world also details how the kings and queens of England and France wiped their royal asses Not like you and I What does Judaism Islam and Buddhism have to say about this act Surprisingly a lot How did an ass kisser that is man who actually kissed his patron s ass almost become pope Who is the real father of toilet paper You won t find the answer on the Internet Why do most people in the world think that wiping with paper is disgusting Is there a better way This is the first book ever written which presents a well documented history of something that every human being has done every day since the beginning of time

Psychoanalysis and Toileting Paul Marcus, 2023-02-27 Psychoanalysis and Toileting is an accessible book that delineates and interprets the psychological meanings of defecating and urinating in everyday life Paul Marcus work gives the clinician an in depth view of an activity that every patient and practitioner engage in and shows how not dealing with toileting in its wide range of social and practical contexts leaves out a huge aspect of the patient s everyday experience Drawing from psychoanalytic theory and practice the author discusses such subjects as constipation diarrhea and irritable bowel syndrome adult female incontinence toilet cursing public toilet graffiti and toilet humor The book also considers the personal meaning of urinating and defecating as seen in men suffering from an enlarged prostate in excremental assault in the Nazi concentration camps and in dreaming Marcus considers not only what is typically negative about these experiences but what can be seen as positive in terms of growth and development for the ordinary person The book is illustrated throughout with clinical vignettes and observations taken from the author s private practice Psychoanalysis and Toileting will be a key text for psychoanalysts and psychoanalytic psychotherapists in practice and in training It will also be relevant to other mental health practitioners

Discard Studies Max Liboiron, Josh Lepawsky, 2022-05-24 An argument that social political and economic systems maintain power by discarding certain people places and things Discard studies is an emerging field that looks at waste and wasting broadly construed Rather than focusing on waste and trash as the primary objects of study discard studies looks at wider systems of waste and wasting to explore how some materials practices regions and people are valued or devalued becoming dominant or disposable In this book Max Liboiron and Josh Lepawsky argue that social political and economic systems maintain power by discarding certain people places and things They show how the theories and methods of discard studies can be applied in a variety of cases many of which do not involve waste trash or pollution Liboiron and Lepawsky consider the partiality of knowledge and offer a theory of scale exploring the myth that most waste is municipal solid waste produced by consumers discuss peripheries centers and power using content moderation as an example of how dominant systems find ways to discard and use theories of difference to show that universalism stereotypes and inclusion all have politics of discard and even purification as exemplified in inclusive efforts to broaden the Black Lives

Matter movement Finally they develop a theory of change by considering wasting well outlining techniques methods and propositions for a justice oriented discard studies that keeps power in view **Behindfulness for Beginners** Harry B. Hind,2021-10-19 What happens when you bring mindfulness into the bathroom A whole crapload of inspiring cleansing and healing behindfulness that s what Finally holding onto your zen doesn t have to end when you shut the bathroom door Behindfulness for Beginners hilariously presents the first ever mindfulness journal specifically designed for those all important but often ignored five ten eh maybe fifteen minute silent sitting sessions that we all do each and every day serenity willing So drop trou take your seat and prepare to enter a world of peace relaxation positive reflection and fascinating facts about this sacred act The Lost Art of Turtle Breathing Learn the practice of cleansing kami breathing on the john a technique named for turtles that can for some reason breathe through their butts Look Inside Reflect on just how much life you hold inside you like the 100 trillion bacteria currently living in your digestive tract Let That Sh t Go Literally Interactively track just how much baggage you can shed each day hint the average person unburdens themselves of between 1 and 2 pounds daily **A Million Years in a Day** Greg Jenner,2016-06-21 Who invented beds When did we start cleaning our teeth How old are wine and beer Which came first the toilet seat or toilet paper What was the first clock Every day from the moment our alarm clock wakes us in the morning until our head hits our pillow at night we all take part in rituals that are millennia old Structured around one ordinary day A Million Years in a Day reveals the astonishing origins and development of the daily practices we take for granted In this gloriously entertaining romp through human history Greg Jenner explores the gradual and often unexpected evolution of our daily routines This is not a story of wars politics or great events Instead Jenner has scoured Roman rubbish bins Egyptian tombs and Victorian sewers to bring us the most intriguing surprising and sometimes downright silly historical nuggets from our past Drawn from across the world spanning a million years of humanity this book is a smorgasbord of historical delights It is a history of all those things you always wondered about and many you have never considered It is the story of your life one million years in the making **Bum Fodder** Richard Smyth,2012-10-01 This is the hidden history of an invention that we use every day but seldom dare to speak of In medieval China it was cutting edge technology For 19th century Americans it was a newfangled alternative to dried corncobs and the Sears the biography of bumfodder From its origins at the Imperial court of Emperor Hongwu to its reinvention as a quack remedy for haemorrhoids in 1870s New York city from the Dutch and their mussel shells to Henry VIII and his Groom of the Stool from Madame de Prie s pioneering bidet to the space age Washlet from leaf wielding chimpanzees to Mr Thirsty Fiber and the world s first three adjective loo roll it s a story of necessity and invention luxury and squalor experiment and tradition What does a submarine crew do when it runs out of toilet paper Who stole the Pope s loo roll Does printer s ink cause piles How do you fold a sheet of toilet paper in half more than seven times What did bumphleteers do and why Richard Smyth answers the questions you never thought to ask about the product we can t live without **How to Sound Smart at Parties** Michael

McBride, 2024-11-26 Welcome to the most interesting dinner party you've ever attended. Join seven friends for an evening of trivia, myth busting, and camaraderie. You'll have a front row seat at the party, listening in to the early small talk where light and fun ideas are discussed. Did you know astronauts have Velcro on the inside of their helmets to scratch their noses to the end of the night when conversations get deeper? Did the popularization of drinking coffee lead to modern democracies? Packed with over 150 fun facts spanning the topics of ancient civilizations, animal behavior, natural science, outer space, human accomplishments, pop culture, and more, *How to Sound Smart at Parties* ensures you'll always have something clever to contribute to the conversation.

Other People's Dirt Louise Rafkin, 1999 In this fresh, funny, strikingly original memoir, Rafkin talks about her invisible status as a domestic worker in a world of illicit sex and secret lives of closet alcoholics and binge eaters, unlikely spiritualists, and revealing celebrities.
