Doing History Linda S. Levstik, Keith C. Barton, 2022-09-06 Now in its sixth edition *Doing History* offers a unique perspective on teaching and learning history in the elementary and middle grades Through case studies of teachers and students in diverse classrooms and from diverse backgrounds it shows children

engaging in authentic historical investigations often in the context of an integrated social studies curriculum The book is grounded in the view that children can engage in valid forms of historical inquiry asking questions collecting and analyzing evidence examining the varied perspectives and experiences of people in the past and creating evidence based historical accounts and interpretations Grounded in contemporary sociocultural theory and research the text features vignettes in each chapter showing communities of teachers and students doing history in environments rich in literature art writing and discussion The authors explain how these classrooms reflect contemporary principles of teaching and learning and thus the descriptions not only provide specific examples of successful activities but also place them in a context that allows teachers to adapt and apply them in a wide range of settings Doing History emphasizes diversity in two ways Readers encounter students from a variety of backgrounds and see how their diverse experiences can form the foundation for learning and they also see examples of how teachers can engage students with diverse experiences and perspectives in the past including those that led to conflict and oppression The book also discusses principles for working with English learners and newcomers and it provides guidance in using multiple forms of assessment to evaluate the specifically historical aspects of children s learning Updates to this edition include updated historical and instructional examples to ensure currency new suggestions for children s literature to support good teaching expanded attention to teaching about oppressed groups in history and greater attention to when historical perspective taking is and is not appropriate

CIVILIZED BLACKS: FREE AMERICAN NEGROES IN THE 1870's WHOSE LIVES PARALLELED THE LIFE OF BOOKER T. WASHINGTON Carol Binta,2014-03-21 Civilized Blacks Free American Negroes in the 1870 s Whose Lives Paralleled the Life of Booker T Washington is a work of creative historical fiction designed to illuminate a commonly ignored segment of the African American experience Drawing on the life and work of Booker T Washington author Carol Binta has portrayed the trials and achievements as well as the daily lives of the Black American elite culture of the period With an engaging and realistic cast of characters she portrays accurate social structures and customs while drawing the reader into the tale she has created Particularly striking is the emphasis on Washington s affirming attitude toward women Both entertaining and enlightening Civilized Blacks Free American Negroes in the 1870 s Whose Lives Paralleled the Life of Booker T Washington offers a new perspective on this often forgotten portion of history

Robert R. Taylor and Tuskegee Ellen Weiss,2012-01-01 Ellen Weiss breaks important new ground in her remarkable monograph on Robert R Taylor This volume is by far the most detailed account we have of an African American architect Weiss vividly conveys the immense challenges faced by black architects and professionals of every kind especially during the rise of Jim Crow Along the way we

get myriad insights on architectural education architect client relationships and the development of a major institution of higher learning Richard Longstreth George Washington University Architectural historian Ellen Weiss s book provides a wealth of little known factual information about Taylor and a scholarly historical analysis of his many contributions in architectural education and professional practice A must read for anyone with an interest in architecture and a certain reference for every architecture student Richard Dozier Dean Robert R Taylor School of Architecture Construction Science Tuskegee University Robert R Taylor s place in history as the first academically trained African American architect has been well known but an authoritative assessment of his contribution to American architectural and planning practice has remained elusive until now Weiss deftly interweaves the story of the Tuskegee campus with an examination of Taylor s pedagogy and the plight of black architects in the early twentieth century Gary Van Zante Curator of Architecture and Design Massachusetts Institute of Technology **The Life and Times of Booker T.
