With Head And Heart The Autobiography Of Howard Thurman:

With Head and Heart Howard Thurman, 1981 Autobiography of a black minister philosopher and educator tells of his years growing up in a segregated town and how he grew up to become a spiritual leader The Spirit of American Liberal Theology Gary Dorrien, 2023-09-05 The Spirit of American Liberal Theology is an interpretation of the entire U S American tradition of liberal theology A highly condensed and far more accessible summary of Gary Dorrien's three volume trilogy The Making of American Liberal Theology Westminster John Knox Press 2001 2003 and 2006 Dorrien here presses the argument that the most abundant diverse and persistent tradition of liberal theology is the one that blossomed in the United States and is still refashioning itself While discussions of English and German liberalism persist new material includes expanded treatment of the Black social gospel the Universalists developments into early 2020s and a robust expression of the author's post Hegelian liberal liberationist perspective **The Mystic in You** Bruce G. Epperly, 2018-01-01 What is a mystic Bruce Epperly defines mystics as people who see holiness in everyday life You can be a mystic without denying the joys of your physical body fleeing society abandoning your family or disengaging from politics Practical and accessible The Mystic in You helps you become aware of the many ways you can experience God's presence in your daily life Yes you can be a mystic The many faces of mysticism described in this book invite you to become the mystic that suits your personality faith tradition and life experience Epperly introduces 12 individuals or groups of mystics through the ages including some from Jewish and Muslim traditions Saint Francis of Assisi Brother Lawrence The desert mothers and fathers The Baal Shem Tov Benedict of Nursia Howard Thurman The Celtic mystics Etty Hillesum Hildegard of Bingen Rumi Mechthild of Magdeburg Julian of Norwich Each mystic had particular spiritual experiences that shaped his or her view of God and the world In each chapter Epperly guides you through four spiritual practices that can help deepen your relationship with God and open you to God's movement in your life Ford's The Modern Theologians Rachel Muers, Ashley Cocksworth, 2024-03-18 Captures the multiple voices of Christian theology in a diverse and interconnected world through in depth studies of representative figures and overviews of key movements Providing an unparalleled overview of the subject The Modern Theologians provides an indispensable guide to the diverse approaches and perspectives within Christian theology from the early twentieth century to the present Each chapter is written by a leading scholar and explores the development and trajectory of modern theology while presenting critical accounts of a broad range of relevant topics and representative thinkers The fourth edition of The Modern Theologians is fully updated to provide readers with a clear picture of the broad spectrum and core concerns of modern Christian theology worldwide It offers new perspectives on key twentieth century figures and movements from different geographical and ecclesial contexts There are expanded sections on theological dialogue with non Christian traditions and on Christian theology's engagement with the arts and sciences A new section explores theological responses to urgent global challenges such as nationalism racism and the environmental crisis Providing the next generation of

theologians with the tools needed to take theological conversations forward The Modern Theologians Explores Christian theology's engagement with multiple ways of knowing across diverse approaches and traditions Combines introductions to key modern theologians and coverage of the major movements within contemporary theology Identifies common dynamics found across theologies to enable cross contextual comparisons Positions individual theologians in geographical regions trans local movements and ecclesial contexts Features new and revised chapters written by experts in particular movements topics and individuals Providing in depth critical evaluation and extensive references to further readings and research Ford's The Modern Theologians An Introduction to Christian Theology since 1918 Fourth Edition remains an ideal textbook for undergraduate and graduate courses in Theology and Religious Studies such as Introduction to Christian Theology Systematic Theology Modern Theology and Modern Theologians It is also an invaluable resource for researchers those involved in various forms of Christian ministry teachers of religious studies and general readers engaged in independent study

Breaking White Supremacy Gary Dorrien, 2018-01-09 The award winning author of The New Abolition continues his history of black social gospel with this study of its influence on the Civil Rights movement The civil rights movement was one of the most searing developments in modern American history It abounded with noble visions resounded with magnificent rhetoric and ended in nightmarish despair It won a few legislative victories and had a profound impact on U S society but failed to break white supremacy The symbol of the movement Martin Luther King Jr soared so high that he tends to overwhelm anything associated with him Yet the tradition that best describes him and other leaders of the civil rights movement has been strangely overlooked In his latest book Gary Dorrien continues to unearth the heyday and legacy of the black social gospel a tradition with a shimmering history a martyred central figure and enduring relevance today This part of the story centers around King and the mid twentieth century black church leaders who embraced the progressive justice oriented internationalist social gospel from the beginning of their careers and fulfilled it inspiring and leading America's greatest liberation movement
