Women Drug Use And Hiv Infection Women Drug Use And Hiv Infection:

Women, Drug Use, and HIV Infection Sally J. Stevens, Stephanie Tortu, Susan L. Coyle, 1998 In *Women Drug Use and HIV Infection* you'll see why AIDS is the fourth leading cause of death among women of childbearing age and you'll come to understand why it disproportionately affects minority women many of whom are poor addicted to drugs and or the sexual partners of drug users You'll gain instantaneous access to the data collected by a national multi site Cooperative Agreement funded by the National Institute on Drug Abuse The quantitative and qualitative studies contained in this publication will familiarize you with the lives of women especially susceptible to HIV infection You'll also discover descriptions of prevention strategies that will lower the risk of infection in this high risk population of women In *Women Drug Use and HIV Infection* at least two chapters focus on each main topic giving you a deeper multilayered look at each issue Even after a few chapters you'll find that your understanding of this national societal illness will expand tremendously in these and other areas cultural contexts of various geographical areas of the United States perceptions of HIV risk among the women who use drugs the difference in risk behaviors of drug using women in cities of different sizes with different rates of HIV seroprevalence how past and current domestic violence changes the HIV risk behavior of women who are sexual partners of drug users how the trading of sex for drugs and or money is critical in tracking HIV risk behavior in women *Women Drug Use and HIV Infection* takes its data from a wide variety of U S locations and from a wide variety of women and organizes it in a way that you can understand process and ultimately turn toward transformative action in your rural or urban area of the country You'll get the latest in outreach and intervention efforts and you'll find yourself with more and more recommendations for future prevention

Women and Substance Abuse Harry K Wexler, Sally J Stevens, 2014-03-18 In *Women and Substance Abuse* Gender Transparency you'll see what can be done to aid women in some of the world's hardest hit substance abuse hubs including Rio De Janeiro Brazil Philadelphia Pennsylvania and New Haven Connecticut Filled with timely research and practical solutions this volume shows you what you can do to aid the tremendous and immediate need for specialized interventions in the lives of women *Women and Substance Abuse* considers many of the variables in the lives of women who abuse drugs race choice of drug HIV risk and drug treatment history and gives you line by line proof of the need for custom tailored harm reduction strategies for addicted women who are and who aren't engaged in drug treatment therapy In addition you'll see why frequent cocaine use current physical and sexual abuse and concerns relating to children can alter the success of therapies and treatments Overall this unique volume will broaden your understanding of the subject by covering gender differences in risk for gonorrhea infection risk factors for women who trade sex for drugs and money the role of physicians and prenatal care providers of substance abusing women how drug treatment programs can be more multifaceted to include planning prenatal care and parenting skills prison based therapeutic communities long term residential treatment for women with children pregnant women and women without children For every unique woman with a

drug problem there is a unique treatment Women and Substance Abuse turns away from the lost cause of blanket treatments and takes you into the world's slums and inner city ghettos where the faces of addiction are as diverse as the women who bear its debilitating burdens You'll see women's drug addiction for what it is a montage of suffering and pain that only individual and specialized care can cure
