Understanding European Integration History Culture And Politics Of Identity

Dan Stone

Understanding European Integration History Culture And Politics Of Identity:

Understanding European Integration R. Pavananthi Vembulu, 2003 In The Background Of New Questions Of Identity Culture And Community Emerged After Maastricht Treaty This Book Explores The European Integration Process Since It Throws Immanent Challenge To The Existing Theoretical Paradigms Such As Nationalism And Globalization Drawing Influence From This Intellectual Climate This Book Tries To Understand The Integration Process Within The Cultural History Of Europe The Study Structured Itself Along Three Axes First It Circled Down On The Problematic Over Defining What Europe Means Here The Efforts Were On To Highlight The Constant Flux And Contingent Nature Of The Definition Of Europe Second How This Contingent Nature Of Europe Has Compelled The European Union To No Longer Skirt Away The Question Of Identity If It Is To Consolidate The Process And Expand Its Boundary Towards East By Focusing Upon The Cultural Policy Of The Union The Study Brought Forth The Various Efforts Of The Union Particularly The European Commission To Transform The Loyalties And Identities Of People From The National Crucible To A Broader European Spectrum Thirdly The Study Critically Evaluates These Policy Initiatives And Highlights How They Are Structured Around The Nineteenth Century Colonial Discourse Of Europe

A Political Theory of Identity in European Integration Catherine Guisan, 2013-03-01 This book provides a theoretical and historical examination of the speech and deeds of European founders Using a fresh and innovative approach this monograph connects political theory with concrete political practices based on empirical evidence and theorizes the internal process of European reconciliations as it has been experienced by those involved The book draws upon over 100 interviews memoirs autobiographies and essays of elite and grassroot actors across the history of the European Union from the founding of the European Coal and Steel Community in 1950 2 to the 2010 financial crisis It introduces the reader to major contemporary Western political thinkers Hannah Arendt J rgen Habermas Charles Taylor and Paul Ricoeur and examines how their theories develop the interpretation of political phenomena such as European integration As one of the first studies of EU memories this approach opens a unique window of analysis to view the development of the European community and makes a fascinating contribution to our understanding of the political tradition born of 60 years of European integration A Political Theory of Identity in European Integration Memory and Policies will be of strong interest to students and scholars of European politics contemporary democratic theory and EU studies

The Political History of European Integration Hagen Schulz-Forberg, Bo Stråth, 2014-06-03 The Maastricht Treaty in 1992 was based on neoliberal ideas of a market driven European economy and democracy and continues to be seen as a step towards a new stage of unification towards a more federal Europe based on market integration The authors demonstrate that European integration as a federal project actually came to an end around 1970 The European Economic Community EEC the precursor of EU was never thought of as a democracy The authors locate a shift in thinking about legitimacy and further integration in the 1980s when the idea of a European democracy was connected with a plan for the internal market the market would pave

the way for democracy Since then there has been a growing tension between the official line about a democratic EU and the institutional capacity to carry it through This tension undermined integration The book suggests that instead of democracy through market there are signs of increasing social disintegration political extremism and populism in the wake of economic integration Providing a more realistic historical understanding of European integration this book will be of interest to students and scholars of political science history and European studies

The Law of the European Union and the European Communities Pieter Jan Kuijper, Fabian Amtenbrink, Deirdre Curtin, Bruno De Witte, Alison McDonnell, 2018-09-28 The Law of the European Union is a complete reference work on all aspects of the law of the European Union including the institutional framework the Internal Market Economic and Monetary Union and external policy and action Completely revised and updated with many newly written chapters this fifth edition of the most thorough resource in its field provides the most comprehensive and systematic account available of the law of the European Union EU Written by a new team of experts in their respective areas of European law its coverage incorporates and embraces many current controversial and emerging issues and provides detailed attention to historical development and legislative history of EU law Topics that are constantly debated in European legal analysis and practice are touched on in ways that are both fundamental and enlightening including the following powers and functions of the EU law institutions and relationship among them the principles of equality loyalty subsidiarity and proportionality free movement of persons goods services and capital mechanisms of constitutional change treaty revisions accession treaties withdrawal agreements budgetary principles and procedures State aid rules effect of Union law in national legal systems coexistence of EU European Convention of Human Rights ECHR and national fundamental rights law migration and asylum law liability of Member States for damage suffered by individuals competition law cartels abuse of dominant position merger control social policy equal pay and equal treatment environmental policy consumer protection public health cultural policy education and tourism nature of EU citizenship its acquisition and loss and law and policy of the EU s external relations The fifth edition embraces many new ongoing and emerging European legal issues As in the previous editions the presentation is notable for its attention to how the law relates to economic and political realities and how the various policy areas interact with each other and with the institutional framework The many practitioners and scholars who have relied on the predecessors of this definitive work for years will welcome this extensively revised and updated edition Those coming to the field for the first time will instantly recognize that they are in the presence of a masterwork that can always be turned to with profit and that helps in understanding the rationale underlying any EU law provision or principle

Eurovisions: Identity and the International Politics of the Eurovision Song Contest since 1956 Julie Kalman, Ben Wellings, Keshia Jacotine, 2019-11-19 This book uses the Eurovision Song Contest ESC as an analytical entry point to understand and illuminate post War Europe and the drive to create an identity that can legitimise the European project in its broadest sense The ESC presents an idealised vision of Europe and this has long existed in a strained

relationship with reality While the trajectory of post war European integration is a high profile topic we believe that the ESC offers a unique and innovative way to think about the role of culture in the history of post War European integration and tensions between the ideal and reality of European unity Through the series of case studies that make up the chapters in this book analysis brings these interlinked tensions to light exploring the roles of culture and identity alongside and a productive conversation with the political and economic projects of post war European integration

The Routledge History of East Central Europe since 1700 Irina Livezeanu, Arpad von Klimó, 2017-03-16 Covering territory from Russia in the east to Germany and Austria in the west The Routledge History of East Central Europe since 1700 explores the origins and evolution of modernity in this turbulent region This book applies fresh critical approaches to major historical controversies and debates expanding the study of a region that has experienced persistent and profound change and yet has long been dominated by narrowly nationalist interpretations Written by an international team of contributors that reflects the increasing globalization and pluralism of East Central European studies chapters discuss key themes such as economic development the relationship between religion and ethnicity the intersection between culture and imperial national wartime and revolutionary political agendas migration women's and gender history ideologies and political movements the legacy of communism and the ways in which various states in East Central Europe deployed and were formed by the politics of memory and commemoration This book uses new methodologies in order to fundamentally reshape perspectives on the development of East Central Europe over the past three centuries Transnational and comparative in approach this volume presents the latest research on the social cultural political and economic history of modern East Central Europe providing an analytical and comprehensive overview for all students of this region

The Oxford Handbook of Postwar European History Dan Stone, 2012-05-17 The postwar period is no longer current affairs but is becoming the recent past As such it is increasingly attracting the attentions of historians Whilst the Cold War has long been a mainstay of political science and contemporary history recent research approaches postwar Europe in many different ways all of which are represented in the thirty five chapters of this book As well as diplomatic political institutional economic and social history The Oxford Handbook of Postwar European History contains chapters which approach the past through the lenses of gender espionage art and architecture technology agriculture heritage postcolonialism memory and generational change and shows how the history of postwar Europe can be enriched by looking to disciplines such as anthropology and philosophy The Handbook covers all of Europe with a notable focus on Eastern Europe Including subjects as diverse as the meaning of Europe and European identity southern Europe after dictatorship the cultural meanings of the bomb the 1968 student uprisings immigration Americanization welfare leisure decolonization the Wars of Yugoslav Succession and coming to terms with the Nazi past the essays in this Handbook offer an unparalleled coverage of postwar European history that offers far more than the standard Cold War framework Readers will find self contained state of the art analyses of major subjects each written by an acknowledged expert as well as stimulating

and novel approaches to newer topics Combining empirical rigour and adventurous conceptual analysis this Handbook offers in one substantial volume a guide to the numerous ways in which historians are now rewriting the history of postwar Europe

The Handbook of European Communication History Klaus Arnold,Paschal Preston,Susanne Kinnebrock,2019-09-06 A groundbreaking handbook that takes a cross national approach to the media history of Europe of the past 100 years The Handbook of European Communication History is a definitive and authoritative handbook that fills a gap in the literature to provide a coherent and chronological history of mass media public communication and journalism in Europe from 1900 to the late 20th century With contributions from teams of scholars and members of the European Communication Research and Education Association the Handbook explores media innovations major changes and developments in the media systems that affected public communication as well as societies and culture The contributors also examine the general trends of communication history and review debates related to media development To ensure a transnational approach to the topic the majority of chapters are written not by a single author but by international teams formed around one or more lead authors The Handbook goes beyond national perspectives and provides a basis for more cross national treatments of historical developments in the field of mediated communication Indeed this important Handbook Offers fresh insights on the development of media alongside key differences between countries regions or media systems over the past century Takes a fresh cross national approach to European media history Contains contributions from leading international scholars in this rapidly evolving area of study Explores the major innovations key developments differing trends and the important debates concerning the media in the European setting Written for students and academics of communication and media studies as well as media professionals The Handbook of European Communication History covers European media from 1900 with the emergence of the popular press to the professionalization of journalists and the first wave of multimedia with the advent of film and radio broadcasting through the rapid growth of the Internet and digital media since the late 20th century

European Identity and Culture Markus Thiel,2016-07-22 As the EU continues its integration process the concepts of culture and transnational European belonging remain ambivalent whether in the realm of socio historical representation or mass politics Engaging with recent scholarly debates surrounding the formation of collective transnational identities this collection draws on the latest empirical case studies to explore the meaning and composition of European identity the mechanisms that create and shape it and the question of whom it includes Each author pays close attention to the cultural aspects of identity formation whether manifested in official institutional articulations such as symbols coinage ceremonies and discursive manifestations or in the cultures of the everyday such as through new forms of communication networks consumption or leisure Exploring attempts by various actors institutions groups individuals to create transnational European identities European Identity and Culture scrutinizes the cultural formations that have either reignited or emerged in often contradictory relations to the EU project including local regional and transnational allegiances A rich interdisciplinary

investigation of the role of culture in the formation of European identity whether as a central building block to unity or as a formidable obstacle to a common sense of purpose this book will be of interest to scholars across the social sciences and humanities working on questions of political culture European integration citizenship and trans national identity

Constructivism and Comparative Politics Richard T Green, 2016-09-16 This work presents an approach to the study of comparative politics that builds on the assumption that political actors and institutions operate within constructed communities of meaning which in turn interface with other such communities

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Understanding European Integration History Culture And Politics Of Identity**

In a world inundated with displays and the cacophony of quick interaction, the profound power and emotional resonance of verbal beauty frequently disappear in to obscurity, eclipsed by the regular barrage of noise and distractions. Yet, situated within the lyrical pages of **Understanding European Integration History Culture And Politics Of Identity**, a interesting function of fictional beauty that pulses with fresh thoughts, lies an unforgettable journey waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that magical opus instructions viewers on a mental odyssey, delicately exposing the latent potential and profound impact stuck within the intricate internet of language. Within the heart-wrenching expanse with this evocative examination, we can embark upon an introspective exploration of the book is central themes, dissect its captivating writing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
