Intersectionality of Race, Ethnicity, Class, and Gender in Teaching and Teacher Education Norvella P. Carter, Michael Vavrus, 2018-04-16 In *Intersectionality of Race Ethnicity Class and Gender in Teaching and Teacher Education* the editors bring together scholarship that employs an intersectionality approach to conditions that affect public school children teachers and teacher educators Chapter authors use intersectionality to examine group identities not only for their differences and experiences of oppression but also for differences within groups that contribute to conflicts among groups This collection moves beyond single dimension conceptions that undermines legal thinking disciplinary knowledge and social justice Intersectionality in this collection helps complicate static notions of race ethnicity class and gender in education Hence this book stands as an addition to research on educational equity in relation to institutional systems of power and privilege

The Oxford Handbook of the Sociology of Africa R. Sooryamoorthy, Nene Ernest Khalema, 2023 The *Oxford Handbook of the Sociology of Africa* presents a comparative analysis of sociological thinking in Africa Focusing on examples from Africa this diverse collection presents to a broad readership an accessible comprehensive up to date and topical analysis of sociological thinking in Africa Sociological discourse about African societies has been challenging and difficult due to a lack of both comprehensive analyses and holistic sociological evidence that covers Africa from past to present This Handbook locates African sociological thinking in historical context and takes a critical look at its current manifestations across the continent

International Perspectives on Maladministration in Education Eugenie A. Samier, Peter Milley, 2018-04-19 This volume develops a theoretical and critical foundation for understanding maladministration the phenomena of harmful administrative and organisational behaviours in educational systems Chapter authors provide theoretical and practice based perspectives across international contexts regarding common destructive practices that occur in educational organisations such as negligence and mistreatment of people professional dishonesty fraud and embezzlement abuse of power and corrupt organisational cultures *International Perspectives on Maladministration in Education* shines a light on this complex topic by examining various practices at individual group organisational and system levels the contexts and influences that give rise to them and potential remedies to ensure more accountable just and safe institutions

The Cnidaria, Past, Present and Future Stefano Goffredo, Zvy Dubinsky, 2016-09-07 This volume

presents a broad panorama of the current status of research of invertebrate animals considered belonging to the phylum Cnidaria such as hydra jellyfish sea anemone and coral In this book the Cnidarians are traced from the Earth s primordial oceans to their response to the warming and acidifying oceans Due to the role of corals in the carbon and calcium cycles various aspects of cnidarian calcification are discussed The relation of the Cnidaria with Mankind is approached in accordance with the Editors philosophy of bridging the artificial schism between science arts and Humanities Cnidarians encounters with humans result in a broad spectrum of medical emergencies that are reviewed The final section of the volume is devoted to the role of Hydra and Medusa in mythology and art Alternative Globalizations S. A. Hamed
