Understanding Italo Calvino Understanding Modern European And Latin American Literature

Sidney Rosenfeld

Understanding Italo Calvino Understanding Modern European And Latin American Literature:

Understanding Italo Calvino Beno Weiss,1993 Highlights Calvino s fascination with folk tales knights social political allegories science fiction **Understanding Ingeborg Bachmann** Karen Achberger,1995 Bachmann her critique of postwar Europe *Understanding Julio Cortázar* Peter Standish,2001 This text recounts the varied literary achievements of one of Latin America s most acclaimed and prolific 20th century writers Structuring his assessment around metaphors drawn from boxing the author considers Cortazar s plays stories novels political essays and poetry **Understanding Joseph Roth** Sidney Rosenfeld,2020-06-16 Unravels an internationally esteemed author s quest for a homeland A writer described as a Jew in search of a fatherland and a wanderer in flight toward a tragic end the Austrian writer Joseph Roth 1894 1939 spent his life in pursuit of a national and cultural identity and his final years writing in fervent opposition to the Third Reich In this introduction to Roth s novels which include *Job* and *The Radetzky March* Sidney Rosenfeld demonstrates how the experience of homelessness not only shaped Roth s life but also decisively defined his body of work Rosenfeld suggests that more than any other component of Roth s varied fiction his skillful portrayals of uprootedness and the search for home explain his international appeal which has grown in recent decades with the translation of his works into English Rosenfeld examines Roth s obsession with the question of belonging tracing it to his boyhood in the Slavic Jewish Austrian Crown land of Galicia Illustrating how Roth s quest determined his most typical themes and gave rise to the Jewish Slavic melancholy that permeates his narratives Rosenfeld includes readings of the early novels Through this fiction Roth quickly established his reputation as a literary chronicler of both the final years of the Habsburg monarchy and the lost world of East European Jewry Rosenfeld describes Roth s flight from Berlin upon Hitler s ascent to power in January 1933 and his precarious existence as an exile While copies of Roth s works went up in flames in Nazi book burnings the novelist moved from one European city to another living in hotels and writing at caf tables From the time of his exile until his death in Paris just months before the outbreak of the Second World War Roth produced six novels as well as shorter works of fiction and a steady flow of journalism denouncing the Third Reich Rosenfeld s critical readings of the novels written during Roth s exile connect them with the novelist s prescient estimate of Hitler s intentions and his own longing for a sovereign Austria

Understanding Peter Weiss Robert Cohen,1993 Examines the life work of the playwright novelist whose literary stature places him among Boll Grass Frisch as one of the leaders of postwar German literature Understanding Octavio Paz Jose Quiroga,1999 In this comprehensive examination of the work of Octavio Paz winner of the 1990 Nobel Prize for Literature and Mexico s important literary and cultural figure Jose Quiroga presents an analysis of Paz s writings in light of works by and about him Combining broad erudition with scholarly attention to detail Quiroga views Paz s work as an open narrative that explores the relationships between the poet his readers and his time **Understanding Alain Robbe-Grillet** Roch C. Smith,2000 Transforming bewilderment into understanding and pleasure while preserving a sense of Robbe Grillet s

considerable richness and complexity Smith elucidates the defining elements of the writer's fictional world: characters that barely exist, changeable narrators, plots that defy logic, notoriously meticulous descriptions that never quite form a complete story. Smith examines Robbe Grillet's embrace of discontinuity, circularity, indeterminacy, and linguistic play. Smith also poses questions about how we should view this perplexing writer as an author of hyperobjective novels and short stories, a subjective novelist, a realist, or a writer who undermines the narrative's claim to represent reality. In addition, Smith evaluates the sado-erotic imagery of Robbe Grillet's middle and late novels as a metaphorical play with textual and social conventions.

BOOK JACKET *Understanding Fr* Roger Alan Crockett, 1998 This introductory volume explores the playwright's chaotic universe where God has retreated beyond the stars and where blind chance is the real prime mover, justice is corruptible, ideologies useless, and tragedy no longer possible. Yet despite the overriding pessimism of Durrenmatt's *Weltanschauung*, the author argues that the playwright remains a genial master of comedy. Through the laughter he allows his readers to see that all is not lost; that there are virtues worth fighting for and that there are still courageous Don Quixotes worthy of the title. Crockett contends that as a theorist of the modern German stage, Durrenmatt challenges Bertolt Brecht and offers alternatives. As a craftsman of prose fiction, he fashions the stout thread with which the readers enter his labyrinths and eventually find their way back out, while his literary Theseuses, clinging to gossamer strands, sometimes fall prey to the monster in the maze.

Understanding Christoph Hein Phillip S. McKnight, 1995 Understanding W.G. Sebald Mark Richard McCulloh, 2003 This volume provides a dissection of W.G. Sebald's fiction and his acclaim. A German writer who taught in England for 30 years, he published four novels, first in German and then in English. His work gained even greater acclaim after his death in 2001, just months after the publication of his title *Austerlitz*.

Right here, we have countless books **Understanding Italo Calvino Understanding Modern European And Latin American Literature** and collections to check out. We additionally find the money for variant types and after that type of the books to browse. The standard book, fiction, history, novel, scientific research, as with ease as various additional sorts of books are readily simple here.
