Understanding Language A Guide For Beginning Students Of Greek And Latin:

Understanding Language Donald Fairbairn, 2011-07-20 Understanding Language includes major sections on the noun and verb systems of the classical languages **Introduction to Classical and New Testament Greek** Michael Boler, 2019-12-17 The defining feature of this textbook is the treatment of classical and New Testament Greek as one language using primary sources All the example sentences the students will translate are real Greek sentences half of which are taken from classical literature and philosophy and half of which are directly from the New Testament The advantage of this approach is that it highlights the linguistic literary and historical connections between classical Greece and early Christianity Rather than having students memorize isolated tables and artificial sentences Michael Boler spent years combing through thousands of pages of literature philosophy and scripture to find short powerful sentences that not only teach the grammatical concepts in each chapter but also contain seeds of wisdom that will spark wonder and discussion Introduction to New Testament and Classical Greek is born out of classroom experience in a Catholic liberal arts university whose students were disappointed to be forced to choose between textbooks that taught classical Greek in isolation and ones that focused exclusively on the New Testament By the end of this book students will have read over 200 lines of scripture and an equal amount of ancient literature from Homer to Aristotle They will also have the grammatical knowledge to continue to read classical and New Testament Greek Each chapter contains a section at the end that delves deeply into the etymology and background of the words and passages encountered in the respective chapter Professors will thus be able to use these chapters as a bridge to philosophical theological historical and literary topics that will enrich the class *The Rewards of Learning Greek and Hebrew* Catherine McDowell, Philip Towner, 2022-01-18 Why study biblical languages The Rewards of Learning Greek and Hebrew Discovering the Richness of the Bible in Its Original Languages is written to convince you that it is worth it Professors Catherine L McDowell and Philip H Towner have spent years opening the eyes of students to the riches that await those who study Hebrew and Greek and they invite you to listen in This book is designed for people who have never studied the biblical languages everything is in English or English script and everything is clearly explained The Rewards of Learning Greek and Hebrew contains a number of case studies some from the Hebrew Bible and some from the New Testament that demonstrate the kind of accuracy and insight that await those who study the biblical languages Each case study is accompanied by a testimonial from a student whose understanding of the Bible has been enriched by studying Greek or Hebrew With encouragements from Christian scholars and pastors sprinkled throughout The Rewards of Learning Greek and Hebrew gives you a taste of what awaits the student of biblical languages and encourages you to take the plunge About the Authors Dr Catherine McDowell is Associate Professor of Old Testament at Gordon Conwell Theological Seminary in Charlotte North Carolina She previously taught Old Testament at Wheaton College in Illinois Dr McDowell is the author of The Image of God in the Garden of Eden Eisenbrauns and the study notes for 1 2 Samuel 1 2 Kings and 1 2 Chronicles in

the ESV Archaeological Study Bible Crossway She is in the process of founding a new seminary in Cap Ha tien Haiti that will have a significant emphasis on biblical languages and original language exegesis The Rev d Dr Philip H Towner is a professor at Pontifical Urbaniana University in Rome where he teaches translation studies and a visiting professor of NT exegesis and translation at the Pontifical Biblical Institute Rome He is an Episcopal priest in the New York Diocese As the former Dean and Director of the Eugene A Nida Institute for Biblical Scholarship at American Bible Society in New York City he was co director of the Nida School of Translation Studies based in Misano Adriatico Italy and served as the Director of Translation Services of the United Bible Societies He is the author and editor of several books and numerous articles in the fields of biblical studies and translation studies When not in Rome he lives in Hoboken NJ
