On the Way to Understanding the Time Phenomenon A. P. Levich, 1995 The subject of this book is time one of the small number of elusive essences of the world unsubdued by human will The three global problems of natural science those of the origin of the Universe life and consciousness cannot be solved without finding out the nature of time Without a good construction of time it is impossible to describe to qualify to forecast and to control various processes in the animate and inanimate nature

Special attention is paid to the ways of adequate inclusion of the properties of time in the derivation of the fundamental equations of motion for natural systems

Understanding the New Testament and the End Times, Second Edition
 Rob Dalrymple, 2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God's people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God's people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God's people and the demand for holiness Thus eschatology matters

Understanding the End Times Bob Yandian, 2013-05-13 A Last Days Play by Play for the Christian Countless books have been written that link current events to end time scriptures predicting the soon return of Jesus But too often Christians have devalued the Bible message by predicting an Antichrist who dies or by predicting dates that come and go with no Jesus Bob Yandian Bible scholar and veteran pastor of more than 30 years says the whole point is to focus on God's unchanging plan not news headlines In *Understanding the End Times* Bob points out that while we have every reason to believe Jesus coming is imminent we need to focus on understanding God's plan for the ages by weaving together biblical prophecies and interpreting world events in light of it With straightforward scriptural teaching Bob outlines The Rapture of the Church The Judgment Seat of Christ The Tribulation Daniel's 70th week The Second Coming Dispensational truths The Millennial Reign FAQs Don't be concerned or confused about what's coming in the world This teaching will make it clear that the Bible does not line up with the world the world must line up with the Bible Christian look up to see that your redemption is closer than ever

UNDERSTANDING THE END TIMES Dr. Simon Rock
 Njolomah, 2012-01-07 This book is to furnish information that can make sense to both the student of Eschatology and the layman Thus while the book is useful to the scholar it is also easily understood by the general seeker of truth Current and unfolding world events are also examined in the light and context of Scripture The book has both a persuasive and combative approach There are no ill feelings towards those teachers and authors with whom this author is at variance in certain areas of the subject

Understanding the End Times Rich Chasse, 2022-09-02 People are fascinated and sometimes terrified by the subject of the End Times and the book of Revelation The topic can be disturbing For some people it can even be scary There's a lot of misinformation out there There are many teachers playing on the insecurities of people with End Times updates that stir up curiosity or fear taking advantage of many as a result To understand how to approach the study of End

Times events we need to ask an important question Are current events pointing to a soon return of Jesus How we answer this question will influence how we view the rest of prophecy It s important to understand what goes into answering this question correctly When you turn on the news and watch events unfold do you sense the tension When you flip through your social media or the internet and look at all the things that are happening does it cause you heartburn or maybe heartache Would you say we are in a unique time in world history So how do you answer the question We ll answer that and more in

Understanding the End Times Are Current Events Pointing to a Soon Return of Jesus **Understanding the Times** Fred Meier,2006-10-01 We are living in dangerous times The Bible tells us that all signs point to the close of the church age and beginning of the kingdom age About thirty percent of the Bible is prophecy Some prophecies have already been fulfilled while others are being fulfilled before our eyes Just listen to today s news To understand the times we need to understand the Bible Today s events generate thought provoking questions like Is the world getting better or worse What is God s timetable for the last days What are God s plans for the Jews and Israel What will the tribulation be like and who will be affected Is there an unholy trinity What role will the church play after the rapture The Bible has the answers to these questions Written especially for the lay person this overview of the final drama discusses the points related to these questions and offers the reader a starting point for a more serious study of Bible prophecy For over twenty five years Fred Meier has been an active member of Gideon s International and Good News Jail and Prison Ministry He serves his church as lay minister for visitation Before retiring from the United States Federal Government he co sponsored a nondenominational Bible study and Good Friday service with permission of the base commander As an ardent student of the Bible he has taught Bible related topics to varied age groups over the years
