Disability in Higher Education Nancy J. Evans,Ellen M. Broido,Kirsten R. Brown,Autumn K. Wilke,2017-02-15 Create campuses inclusive and supportive of disabled students staff and faculty Disability in Higher Education A Social Justice Approach examines how disability is conceptualized in higher education and ways in which students faculty and staff with disabilities are viewed and served on college campuses Drawing on multiple theoretical frameworks research and experience creating inclusive campuses this text offers a new framework for understanding disability using a social justice lens Many institutions focus solely on legal access and accommodation enabling a system of

exclusion and oppression However using principles of universal design social justice and other inclusive practices campus environments can be transformed into more inclusive and equitable settings for all constituents The authors consider the experiences of students faculty and staff with disabilities and offer strategies for addressing ableism within a variety of settings including classrooms residence halls admissions and orientation student organizations career development and counseling They also expand traditional student affairs understandings of disability issues by including chapters on technology law theory and disability services Using social justice principles the discussion spans the entire college experience of individuals with disabilities and avoids any single issue focus such as physical accessibility or classroom accommodations The book will help readers Consider issues in addition to access and accommodation Use principles of universal design to benefit students and employees in academic cocurricular and employment settings Understand how disability interacts with multiple aspects of identity and experience Despite their best intentions college personnel frequently approach disability from the singular perspective of access to the exclusion of other important issues This book provides strategies for addressing ableism in the assumptions policies and practices organizational structures attitudes and physical structures of higher education LatinX Students in Higher Education Nichole Margarita Garcia,2025-04-11 The most recent addition to the Key Issues on Diverse College Students series this important volume bridges theory to practice in order to help higher education professionals support LatinX students in colleges and universities LatinX Students in Higher Education challenges the traditional metrics of student success in higher education for LatinX students offering a revised definition of student success to re envision the skills and abilities that these students bring from their communities into institutions of higher education and community based settings Garcia s powerful counter story narratives shed light on the urgent need for systemic reform and ultimately this book challenges institutions to adopt more inclusive and anti racist practices that honor cultural identity community and resilience This is a must read for researchers educators student affairs professionals students and policymakers committed to creating an equitable higher education system and promoting the success of LatinX populations in higher education White Teachers / Diverse Classrooms Julie Landsman,Chance W. Lewis,2023-07-03 Interviews with Black students and experienced educators provide guidance on how to teach successfully in multicultural classes Insights and ideas to promote observation reflection and effective classroom practice Ideal for initiating constructive discussion in pre service courses and for professional development Defines the seven characteristics of successful multicultural teaching Based on the acclaimed book These interviews with Black students White and Black teachers educational experts and school administrators poignantly bring to life the issues strategies and competencies that teachers need to engage with if they are to create the conditions that will enable their students of color to succeed and excel From these candid unscripted interviews there emerge seven key drivers of inclusive teaching The ideas and insights captured in this DVD are placed in context by short introductory and concluding commentaries by the editors of the

acclaimed companion book *White Teachers Diverse Classrooms* The feature 33 minute track is enhanced by a further 83 minutes of additional footage that presents more extensive interviews with many of the participants to add depth to pedagogical approaches they advocate This DVD is effective both for group viewing and discussion and for individual study It will spur debate stimulate ideas and reflection and inspire *White Teachers Diverse Classrooms* DVD Region 0 NTSC Can be played on any computer worldwide Plays on North American TVs only Closed captioning for the hearing impaired Includes educational performance rights Introduction to Educational Research Craig A.
