Library,2007 **Peacebuilding in the United Nations** Fernando Cavalcante,2019-05-06 This book traces the trajectory and different meanings of the concept of peacebuilding in the United Nations since the early 1990s It analyses how that concept gained life in a particular context and the implications of this process for the Organisation s support to societies affected by armed conflict in general and for peace operations in particular Departing from tenets about the influence of ideas in world politics and engaging with the critique of the liberal peace scholarship the book provides a theoretically informed narrative of how peacebuilding acquired different meanings while remaining largely motivated justified legitimated and informed by a proactive and top down agenda of promoting liberal democratic institutions norms and values as a remedy to the challenges faced by societies affected by armed conflict The book will appeal to scholars policymakers and practitioners in peacebuilding and post conflict development **The German Question and the International Order,**

1943-48 N. Lewkowicz,2010-09-30 An analysis of the German Question s influence on the origins of the Cold War arguing that the legal and diplomatic intercourse between the Allies regarding the treatment of the German Question brought forward the elements of intervention and coexistence which formed the basis for a relatively peaceful postwar international order Human Development Report 2007/2008 United Nations Development Programme,2015-12-29 This year s Human

Development Report explains why we have less than a decade to change course and start living within our global carbon budget and how climate change will create long run low human development traps pushing vulnerable people into a downward spiral of deprivation *The Oxford Handbook of United Nations Peacekeeping Operations* Joachim Koops,Norrie MacQueen,Thierry Tardy,Paul D. Williams,2015-07-09 The Oxford Handbook on United Nations Peacekeeping Operations presents an innovative authoritative and accessible examination and critique of the United Nations peacekeeping operations Since the late 1940s but particularly since the end of the cold war peacekeeping has been a central part of the core activities of the United Nations and a major process in global security governance and the management of international relations in general The volume will present a chronological analysis designed to provide a comprehensive perspective that highlights the evolution of UN peacekeeping and offers a detailed picture of how the decisions of UN bureaucrats and national governments on the set up and design of particular UN missions were and remain influenced by the impact of preceding operations The volume will bring together leading scholars and senior practitioners in order to provide overviews and analyses of all 65

peacekeeping operations that have been carried out by the United Nations since 1948 As with all Oxford Handbooks the volume will be agenda setting in importance providing the authoritative point of reference for all those working throughout international relations and beyond **United Nations Documents Index, July-September 2005** United Nations,2006-12 The United Nations Documents Index provides information on documents and publications issued by United Nations offices worldwide The information is presented in nine sections covering the areas of documents and publications official records sales publications United Nations maps included in UN documents United Nations sheet maps United Nations document series symbols author index title index and subject index The index is a two part set Publishing Agency United Nations UN

The Democratization Project Ashok Swain,Ramses Amer,Joakim Öjendal,2011-07 This volume drawing on the work of a variety of scholars contributes to identifying and understanding the challenges and opportunities presented by the current wave of democratization to the peace and development of the world both at the domestic level in selected countries trends in regions of the world and in the global system of the post Cold War Era **Global Trends** A. Done,2011-10-31 Looks at the bigger picture and the future trends that are going to affect the global business world over the next few years The author analyses traditional themes such as technology and sustainability but also takes into consideration the effects of developments in other areas such as health education and demographics *Climate Change, Security Risks and Conflict Reduction in Africa* Charlene Cabot,2016-11-04 Millions of people are already affected by weather related shocks every year in West Africa and climate change is highly likely to increase these threats In the wake of climate change rising temperatures increasingly irregular rainfall and more frequent natural hazards will endanger the ways of life of vulnerable population groups in this region and destabilize their human security A surge in violence and conflicts could take place One of the conflict constellations could be between farmers and herders These groups are highly vulnerable to climate change due to their dependence on natural resources Millions of people are already affected by weather related shocks every year in West Africa and climate change is highly likely to increase these threats In the wake of climate change rising temperatures increasingly irregular rainfall and more frequent natural hazards will endanger the ways of life of vulnerable population groups in this region and destabilize their human security A surge in violence and conflicts could take place One of the conflict constellations could be between farmers and herders These groups are highly vulnerable to climate change due to their dependence on natural resources for their subsistence Furthermore they are historically prone to enter into conflict over issues of access to natural resources However social economic and political circumstances fundamentally influence environmental conflicts There might thus be opportunities to face the societal challenges of climate change in a peaceful way and the political and institutional framework could play an important role in reducing conflict and violence In order to explore such a path this study analyses the potential of political factors policies and institutions for the reduction of climate change induced or aggravated conflicts between farmers and herders After a theoretical demonstration a case study of agro
