MEERA RAGHAVENDRA

RAO,2012-09-12 If we ask the lay readers why they read newspapers the obvious answer would be to get news However what keeps the newspaper endearing and in a way enduring are the longer stories about people behind the news about the humorous everyday experiences we all have or the closer look at someone and the unexpected surprises we get in the process In short we call these features In this substantially revised book on *Feature Writing* the author with her vast experience discusses various aspects of *Feature Writing* She focuses on different types of features found in newspapers Humour and Satire Brights Human Interest Features Travel Features and News Features and illustrates each of these In addition she provides a detailed description of Profiles Interviews and Online Features with examples and gives a clear analysis of *Feature Writing Techniques* Intended as a text for students offering courses in Journalism this book would also be extremely useful for freelance writers and anyone who has a flair for writing What is New to THE SECOND Edition Includes two new chapters on Obituary and Tribute and Sports and new sections such as Blogs and Professionalism in Journalism Provides more illustrations culled from recent newspapers Gives explanatory notes on some key words used in the book and a section on Vocabulary What the Reviewers Say In this delightful book on *FW Feature Writing* Meera Raghavendra Rao brings home to us that writing a story or a novel is one way of discovering sequence in experience of stumbling upon cause and effect in the happenings of a writer s own life In my view Meera Raghavendra Rao s book on *FW* is an exceptionally good and

useful book not only for all students of Journalism but also for all writers interested in FW V Sundaram News Today The author has used instances from her career spanning more than two decades to illustrate various situations in this book Deccan Chronicle The book is a rather exhaustive guide on ways to tell a feature story Among the other pluses is the Indianness permeating the book most sample articles are home brewn The Hindu Metroplus Weekend *Writing for Visual Media* Anthony Friedmann,2014-04-16 This updated edition of Writing for Visual Media will enable you to understand the nature of visual writing that lies behind the content of all visual media This unique kind of writing must communicate to audiences through content producers since audiences don t read the script Most media content provides a solution to a communication problem which the writer must learn to analyze and solve before writing the script The Fourth Edition strengthens the method for creating content and writing in the correct language and established format for each visual medium including commercial communication such as ads and PSAs corporate communications and training An extended investigation into dramatic theory and how entertainment narrative works is illustrated by examples and detailed analysis of scenes scripts and storylines designed to save writers from typical pitfalls and releasing your creative powers of invention Writing for Visual Media will help you to develop an improved foundation for understanding interactive media and writing for non linear content while gaining the tools to effectively connect with your audience like a professional Purchase of this book includes access to the companion website which provides Sample scripts and video clips of those produced scripts An interactive glossary of camera shots movements and transitions Storyboards scripts screenplays and links to industry resource Instructor materials such as PowerPoint lecture slides a sample syllabus and a test bank Visit the site at www.routledgegettextbooks.com/textbooks/9780415815857

Radio Journalism in America Jim Cox,2013-04-29 This history of radio news reporting recounts and assesses the contributions of radio toward keeping America informed since the 1920s It identifies distinct periods and milestones in broadcast journalism and includes a biographical dictionary of important figures who brought news to the airwaves Americans were dependent on radio for cheap entertainment during the Great Depression and for critical information during the Second World War when no other medium could approach its speed and accessibility Radio s diminished influence in the age of television beginning in the 1950s is studied as the aural medium shifted from being at the core of many families activities to more specialized applications reaching narrowly defined listener bases Many people turned elsewhere for the news And now even TV is challenged by yet newer media The introduction of technological marvels throughout the past hundred years has significantly altered what Americans hear and how when and where they hear it
