Writing In The Dust After September 11:

Writing in the Dust Rowan Williams, 2002 In the face of the great evil of September 11 one ought to speak in hushed tones humbly and graciously as before a mystery That is what Rowan Williams does in these deep and moving theological reflections Nicholas Wolterstorff Yale Divinity School

September 11, 2001 as a Cultural Trauma Christine Muller, 2017-01-20 This book investigates the September 11 2001 attacks as a case study of cultural trauma as well as how the use of widely distributed easily accessible forms of popular culture can similarly focalize evaluation of other moments of acute and profoundly troubling historical change The attacks confounded the traditionally dominant narrative of the American Dream which has persistently and pervasively featured optimism and belief in a just world that affirms and rewards self determination This shattering of a worldview fundamental to mainstream experience and cultural understanding in the United States has manifested as a cultural trauma throughout popular culture in the first decade of the twenty first century Popular press oral histories literary fiction television and film are among the multiple ubiquitous sites evidencing preoccupations with existential crisis vulnerability and moral ambivalence with fate no win scenarios and anti heroes now pervading commonly told and readily accessible stories Christine Muller examines how popular culture affords sites for culturally traumatic events to manifest and how readers viewers and other audiences negotiate their fallout

Religion at Ground Zero Christopher Craig Brittain, 2011-07-14 The world will never be the same How many times have human beings uttered this cry after a tragic event This book analyzes how such emotive reactions impact on the way religion is understood exploring theological responses to human tragedy and cultural shock by focusing on reactions to the terrorist attacks of 9 11 and 7 7 the two World Wars and the Holocaust the 2004 South East Asian tsunami Hurricane Katrina and the 2010 earthquake in Haiti It discusses themes such as the theodicy question the function of religious discourse in the face of tragedy and the relationship between religion and politics The book explores the tension between religion s capacity to both cause and enhance the suffering and destruction surrounding historical tragedies but also its potential to serve as a powerful resource for responding to such disasters Analyzing this dialectic it engages with the work of Slavoj i ek Karl Barth Theodor Adorno Emil Fackenheim and Rowan Williams examining the role of belief difficulties of overcoming the influence of ideology and the significance of trust and humility

On Rowan Williams Matheson Russell, 2009-01-01 Theologian poet public intellectual and clergyman Rowan Williams is one of the leading lights of contemporary British theology He has published over twenty books and one hundred scholarly essays in a distinguished career as an academic theologian that culminated in his appointment as Lady Margaret Professor of Divinity at Oxford University Williams left this post to serve in the Anglican Church first as Bishop of Monmouth then Archbishop of Wales before finally being enthroned in 2003 as the 104th Archbishop of Canterbury In this collection of essays a talented younger generation of Australian theologians critically analyzes the themes that bind together Williams s theology These sympathetic yet probing essays traverse the full breadth of

Williams's work from his studies on Arius the Desert Fathers Hegel and Trinitarian theology to his more pastoral writings on spirituality sexuality politics and the Anglican Church

British Foreign Policy and the Anglican Church Adrian Hyde-Price, Timothy Blewett, Dr Wyn Rees, 2013-05-28 Whilst the views of leaders within the Church of England are frequently canvassed during periods of national crisis little attention has been devoted to finding out whether there are Church perspectives on contemporary foreign policy issues The Church of England has not been regarded as an actor with a strong input into international affairs preferring to speak out on domestic and individual issues Yet world politics present fundamental ethical dilemmas which call for careful deliberation and the Church has a role to play both in shaping the debate and arguing for particular policy directions To what extent is national policy shaped by underlying Christian values Do the campaigning efforts of faith groups really exert influence and guide the development of state policy This book seeks to elucidate whether there are particular Christian perspectives on the role that Great Britain should play in the world today It investigates the role that the Church of England has played in contemporary foreign policy issues including the use of force intervention counter terrorism and arms sales and overseas trade aid and debt forgiveness The book brings together senior individuals from within the Church academia and non governmental organisations to investigate these various ethical dilemmas

The Post-9/11 City in Novels Karolina Golimowska, 2016-03-10 Post 9 11 fiction reflects how the September 11 2001 attacks have influenced our concept of public space from urban behavior patterns to architecture and urban movement It also suggests a need for remapping the real and imagined spaces where we live and work Through close readings of novels from both sides of the Atlantic this analysis of the literary 21st century metropolis explores the fictional post 9 11 city as a global space not defined or contained by its physical limits
