Wrongsized Become Chronically Unemployed In 26 Easy Steps:

Wrongsized Larry Solomon, 2009-03 Outskirts Press author and humor writer Larry Solomon takes a timely look at unemployment in his new book. It's a story about an unemployed executive struggling to find a job in today's market and not surprisingly it's a laugh out loud read. Larry Solomon not only has plenty of corporate experience, he also has written material used on TV shows such as *Laugh In*, *The Smothers Brothers* and *The Dean Martin Show*. Solomon has worked in the computer field for over 30 years holding management and consulting positions with companies such as Anteon, AST Research, AMFAC, General Electric, the U S Navy, the City of Torrance, California, and Verifone. While computer programming is his forte, comedy is his true love and he has written material for hundreds of radio commercials and for various radio programs including those of Jay Lawrence, Gary Owens, Jack Gale, and Dave Garroway. He even had his own popular radio show, *The Larry Clark Show*. He dropped his last name due to the townfolks' penchant for white sheets with cut out eye holes. *Wrongsized* is the story of Lance D Boyle, As the CIO of a branch of a major corporation and a computer programmer, Boyle has redesigned many of his company's systems resulting in his branch showing a profit for the first time in years. But when corporate sends in an efficiency expert with a Harvard MBA and a fistful of pink slips, Boyle finds himself suddenly out of work. His retirement fund is nonexistent and he leaves with next to nothing to show for his hard work and loyalty. After an appropriate period of grieving, Boyle decides to take on temp work, admirably approaching each new task with a can do attitude but somehow he manages to royally and humorously screw things up at every turn. Despite its humorous nature, *Wrongsized* also offers real world tips for job hunting. Larry Solomon has decades of experience to draw from and has also been on the receiving end of a pink slip a time or two. When I was unemployed, I really needed a laugh, he says, and this was the motivation behind *Wrongsized*. And after you have finished reading it, you can spend some more time following the tips I have cleverly included to broaden your job search scope. Or you can color the drawings. Your call. If you are not satisfied with the contents of this book, if it did not lead you on the course of gainful employment or for any reason whatsoever, you did not laugh your ass off, you may contact me and I will feel really, really bad. Mr. Solomon's book is both insightful and unabashedly funny. Filled with laughs, this is a testament to the American tradition of finding humor in the most adverse situations. It's a veritable survival guide to today's economy, a must read for everyone. Amazon.com review
