Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography

of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

You Are Not ONLY HUMAN C. Orville McLeish, 2017-09-07 Thus far we have not begun to tap into our human potential With the upsurge of Christian Mystics in this era there is a growing revelation of who we really are in God that has a startling resemblance to who Jesus Christ was as a man walking this earth This phenomenal spiritual awakening of epic proportions is sweeping the globe with no indication of dissipating anytime soon It is the emergence of the glorious church prophesied in Ephesians 5 without spot or wrinkle or any other blemish Everyone alive today including you has the divine privilege to choose whether to participate in this emergence or remain a slave to religious and institutionalized bondage This book explores the possibilities that exist within our DNA that have already been discovered and dares to explore even further possibilities hinted at but not yet experienced by most The cold climate of ignorance has suffocated the true church of the living God long enough and it is time to emerge You are a child of God not a servant and not a slave The potential within you is equal to that of Jesus Christ and Adam and Eve before they fell to sin Sin has encased us within a body of limitations weakness and insufficiency but God has dealt with sin Now the only thing that separates you from true union with God and participating in His divine nature is your own choice

The Great Debate Over The Doctrine of Salvation Elijah C. McSwain, 2021-04-26 The Great Debate over the Doctrine of Salvation was originally written as a master's thesis project at Grace Christian University to analyze the tension over the doctrine of salvation The doctrine of salvation has been one of the most highly contested and prominent subjects of debatable dialogue among intellectuals within the world For centuries the debate has taken the world by storm due to the convoluted rhetoric surrounding what constitutes salvation in the eyes of mankind as opposed to the decree of God concerning salvation As a result secular rationalization and Christian orthodox stand as polar opposites of thought on the theological and philosophical spectrum as it relates to the doctrine of salvation Thus it is the primary objective through this written platform to point to the truth of what salvation entails of from a biblical perspective to aid in settling the dispute about salvation despite the argumentative position of certain intelligentsia
