Unethical Conduct In The Namibian Public Service:

The International Ombudsman Yearbook, Volume 3 (1999) International Ombudsman Institute, Linda C. Reif, 2021-10-18
The International Ombudsman Yearbook is the only publication devoted to ombudsman issues. The public sector ombudsman is now found at all levels of government in many countries around the world both in established and consolidating democracies. The ombudsman is an independent office traditionally appointed by the legislative branch to investigate poor administration of government. More recently some ombudsman offices have been given human rights protection responsibilities. The International Ombudsman Yearbook contains articles written from legal or public administration perspectives which address issues of interest to the contemporary ombudsman and to all persons with an interest in the institution. Compiled and edited by the International Ombudsman Institute, the organization composed of over 130 ombudsman members located worldwide, the Yearbook will be of interest to lawyers, scholars, ombudsman office personnel and government entities wherever ombudsman offices are located or contemplated. *Social and Ethical Issues of Global Pandemics* Masake Pilisano Harris, Richard Obinna Iroanya, 2023-11-02. The COVID 19 pandemic exposed the weaknesses inherent in the social infrastructure of African states, especially healthcare and social security systems. African states were characterized by a high level of unpreparedness with scientific and technological insufficiency to address the pandemic emergency. This in turn worsened the impact of COVID 19 on all fronts; thus many African states experienced issues with high mortality rate, rampant job losses and arbitrary and erratic state responses. *Social and Ethical Issues of Global Pandemics: A Southern African Perspective* edited by Masake Pilisano Harris and Richard Obinna Iroanya argues that pandemics deepen inequality margins with grave social, legal and ethical consequences in Southern Africa and beyond. Through empirical and theoretical research, Harris and Iroanya analyze the regulations that were passed during COVID 19 and evaluate the impact and legality of these regulations. The contributors provide information that will help authorities and society appreciate the extent of the effects of the pandemic and its control measures on people's ways of life in the post COVID era and beyond.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
