Unfaithful Gary Shriver, Mona Shriver, 2009-11-01 Statistics show that one in every four marriages is impacted by infidelity So the odds are pretty good that you or someone you know has experienced the searing pain of marital infidelity But adultery is not an automatic death sentence for your marriage You can trust again You can restore intimacy You can have a relationship that you will both cherish for a lifetime Ten years ago Gary and Mona Shriver experienced the devastation caused by adultery and in the course of trying to save themselves they wrote this book Raw transparently honest the Shriver's story alone is an inspiration offering hope and practical strategies for healing Now this updated and revised edition adds other real life stories of betrayal and forgiveness and new information defining adultery including the destruction of emotional affairs Some doubt if a marriage can truly heal after the ravages of infidelity **Unfaithful** proves you can It's not easy but it can be done Is it worth it Yes And you hold the first step and hope in your hand **Marriage Off Course** Clint Bragg, Peggy A. Bragg, 2015-03-03 Every broken marriage has the hope of becoming a saved marriage Approximately fifty percent of the couples who sign a marriage license will also sign on the dotted line of a divorce document In order to turn the tide of this stark statistic couples who have considered or experienced separation or divorce must be given real tools to reconcile restore and rebuild their relationships **Marriage on the Mend** provides these tools for couples in crisis Clint and Penny Bragg know what it means to be that couple After being divorced for eleven years and living 3 000 miles from each

other they were remarried but the difficult work of restoration continued long after that second ceremony The Braggs know that couples who reconcile face a unique set of challenges including unresolved arguments poor communication habits unforgiveness and betrayed trust Biblically based materials are required to walk through this treacherous territory toward full healing and restoration This practical realistic book identifies roadblocks that may stall relationship progress recommends ideas to deepen intimacy offers solutions to effectively handle past hurts and conflicts and applies Scripture to every aspect of the process in order to proactively stabilize and safeguard the marriage At the end of each chapter the Braggs include a prayer for couples to share to help facilitate healing The one thing all broken relationships have in common is that true healing takes time Using the framework of Nehemiah's effort to restore Jerusalem's walls following the Israelite's exile and captivity Marriage on the Mend provides a clear framework for the restoration of relationships **Fighting for Your Marriage While Separated** Linda W. Rooks, 2019-02-25 When your marriage falls apart where can you turn for hope and help Linda Rooks an experienced guide for marriages in crisis provides biblical wisdom real life stories and practical help for husbands and wives who desire restoration in their marriages Even if your spouse has turned away there is hope **The Samaritan** Jeffrey Holtan, 2016-11-30 From personal experience to the words and works of Jesus this book is a help to all who struggle with the guilt of sin Read how the debilitating guilt over sin is overcome in Jesus This book will take you on a journey from the depths of sadness to the joy of forgiveness **Sacred Marriages** David Mullins, 2018-06-14 This book represents a new direction in the study of religion and marriage by using a postmodern theoretical framework focusing on gendered discourse and culture to examine the meaning of sacred marriage within social contexts Drawing upon data from in depth interviews of couples in long term sacred marriages living in the American Midwest together with an analysis of Christian marriage advice manuals **Sacred Marriages** explores how couples use religious and nonreligious discourses and cultures to give their marriages meaning and how those sacred meanings are used in their daily lives and the spaces that they embody The study shows how religious and secular beliefs are combined to formulate cultural strategies for approaching the sacralization of marriage and how religious and nonreligious discourses and cultures are ordered depending on circumstances and social contexts This often results in other relationships being subordinated in favour of the sacred bond believed to exist between husband and wife The book argues that sacred marriage is a malleable concept as people bend religious culture to form new and altered sacred marriages during emotional extremes A thoughtful examination of long term Christian marriages this volume will appeal to scholars of religion and sociology with interests in marriage and the family

Emotional Infidelity in the Church Ibidun B. Daramola, 2021-01-30 What are the signs that your relationship with a disciple or a counselee has crossed boundaries and you are now living in sin What can be done to avoid or overcome a difficult relationship How can you safeguard your marriage and home from the problems of emotional infidelity This book which is meant for ministers and leaders of the Church attempts to address these questions The primary aim of the book is to

create awareness and address the problem of emotional infidelity in the Church. It is a result of years of counselling and working with families in African and Western communities. While the book focusses on common practices within the African setting, the issues discussed cut across communities. For emotional infidelity is a common problem of communities in general. The principles and practices of the Church should guard against relationships outside the marriage. Unfortunately, emotional infidelity has found its way into the Church community. This form of sin is easy to hide. It may also appear safe because it is not physical. But it is a sin that can destroy marriages and cause friction between couples. Therefore, there is a need to put in place safeguarding measures and policies that would protect Christian homes. This is what the book explores in a structured manner using anecdotes, examples, and data.

What Happens After Shattered? Dr. Deanna Sims, 2015-09-04. It is no secret that many hearts have been shattered by infidelity. With affairs and sexual addiction at all-time highs in our society, it is no wonder that those affected by the real-life trauma and agonizing pain of unfaithfulness search for ways to cope, forgive, and eventually heal. In her comprehensive Christian self-help guidebook, *What Happens After Shattered*, licensed mental health counselor Dr. Deanna Sims shares gentle guidance that includes case examples, strategies for coping and healing, and over one hundred biblical passages. With the hope of encouraging and supporting those on a journey to healing after infidelity, Dr. Sims addresses many key issues, including how to identify the different types of affairs, honor anger as a natural phase of grieving, navigate through the discovery and disclosure phases of an affair, understand narcissism and its correlation to infidelity, answer questions to determine whether to reconcile or terminate the marriage, implement an affair prevention plan to safeguard your marriage, work toward a spirit of forgiveness. *What Happens After Shattered* reinforces the important message that hope, personal growth, and healing are possible even after the life-altering experience of an affair. A unique and valuable resource for those in the Christian community. Peggy Vaughan, author of *To Have and To Hold* and host of *Dear Peggy*.com. A well-thought-out Christian counseling book on the topic of infidelity. Rona Subotnik, LMFT, coauthor of *Surviving Infidelity* 3rd Edition and author of *Why Did He Cheat on Me*.
