Miklashevskaya, 2020-01-23 This first hand witness account originally written by Ludmila Miklashevskaya in 1976 and here translated into English by historian Elaine MacKinnon for the first time tells the important story of one woman's persecution under Stalin From Miklashevskaya's middle class Jewish childhood in Odessa to her life in exile as the wife of an enemy of the people and false imprisonment in a labour camp for the attempted murder of NKVD leader Nikolai Yezhov to her later attempts at rehabilitation her memoir is a fascinating tapestry of Soviet artistic intellectual and political life set against the tumultuous backdrop of revolutions wars and repressive regimes Accompanied by a translator's introduction and detailed historical explanatory notes *Gender and Survival in Soviet Russia* sheds new light on the relationship between power gender and society in 20th century Russia This book is thus a vital primary resource for scholars of modern Russian history and gender studies offering a compelling and personal route into understanding how the machinations of Soviet Russia destroyed everyday life tearing families apart and leaving scars that never healed *Everyday Stalinism* Sheila Fitzpatrick, 1999-03-04

Here is a pioneering account of everyday life under Stalin written by a leading authority on modern Russian history Focusing on the urban population Fitzpatrick shows how living conditions and day to day practices changed dramatically with Stalin's Revolution at the beginning of the 1930s With the abolition of the market shortages of food clothing and all other consumer goods became endemic As peasants fled the collectivized villages major cities soon faced an acute housing crisis whole families were jammed for decades into tiny single rooms in communal apartments It was a world of privation overcrowding endless lines and broken homes in which the regime's promises of future socialist abundance rang hollowly We read of a government bureaucracy that often turned life into a nightmare and of the ways ordinary citizens tried to circumvent it We also read of the secret police whose constant surveillance was endemic to this society and the waves of terror like the Great Purges of 1937 which periodically cast this society into turmoil Drawing on extensive research in Soviet archives only recently opened to historians *Everyday Stalinism* is a true and compelling story about ordinary people trying to live normal lives under extraordinary circumstances **Compton's Pictured Encyclopedia** Guy Stanton Ford, 1922 Russian

Awards and Reference Books Dmitrii Markov, 1995 *Technical Abstract Bulletin* , 1980 **Soviet Self-Hatred** Eliot Borenstein, 2023-06-15 *Soviet Self Hatred* examines the imaginary Russian identities that emerged following the collapse of the Soviet Union Eliot Borenstein shows how these identities are best understood as balanced on a simple axis between pride and shame shifting in response to Russia's standing in the global community its anxieties about internal dissension and foreign threats and its stark socioeconomic inequalities Through close readings of Russian fiction films jokes songs fan

culture and Internet memes Borenstein identifies and analyzes four distinct types with which Russians identify or project onto others They are the sovok the Soviet yokel the New Russian the despised ridiculous nouveau riche the vatnik the belligerent jingoistic patriot and the Orc the ultraviolent savage derived from a deliberate misreading of Tolkien's epic Through these contested identities Soviet Self Hatred shows how stories people tell about themselves can tragically become the stories that others are forced to live **The Big Show in Bololand** Bertrand M. Patenaude, 2002 The author sheds light on a little known chapter of U S Soviet relations using diaries memoirs and letters to recall the efforts of nearly 300 relief workers in easing the suffering of Russians during one of the country's worst famines *Do szarży marsz, marsz--* Aleksander Smoliński, 2010
