Write Your Book Me Payoffs:

Write Your Novel One Day at a Time J. W. Judge, 2022-11-01 You've always had the ideas for your novel. Now you can do the work of writing it. Write Your Novel One Day at a Time will help develop the processes to do the creative work of writing your novel. I will show you the power of consistency by giving you a look at my daily word counts and journal entries through the six-month endeavor of writing my third novel while working my day job as a commercial litigator and raising a young family. My writing has been twenty-five years in the making and now includes four non-fiction books and three novels. All these books have been written in small chunks, a few hundred words at a time, because small increments are the only ones I have. Through this book, I will show you how showing up daily to do your creative work will help you deliver the book you want to write. But I'm not the only one who has had to juggle writing, family, and a career. In Write Your Novel One Day at a Time, I interview five successful writers who began writing their novels during their professional careers. Through these interviews and my own experiences, I will help you develop a blueprint for how you can get your creative work done. I am not a guru who has all the answers; I am a writer who is figuring things out as I go. So as I learn on the fly, I want to help flatten the learning curve and provide some encouragement for those of you who also aspire to write novels and get your words and your work into the world.

Writing Your Novel from Start to Finish Joseph Bates, 2015-11-11 Equip yourself for the novel writing journey. Starting a novel is exciting, but finishing it is the real challenge. The journey from beginning to end is rife with forks in the road and dead ends that lead many writers off course. With Writing Your Novel from Start to Finish: A Guidebook for the Journey, you'll navigate the intricacies of crafting a complex work of fiction and complete the journey with confidence and precision. To maximize your creativity and forward momentum, each chapter offers techniques to break down the elements of the novel, from character building to plotting and pacing. Mile Markers to anticipate and overcome roadblocks like ineffective dialogue and the unchanged protagonist. Guidelines for Going Deeper to explore and implement more nuanced aspects of storytelling, such as finding your voice and the role of theme. Try It Out Exercises and 27 interactive worksheets that help elevate your writing. No matter your level of experience or where you are in your project, Writing Your Novel from Start to Finish provides the instruction, inspiration, and guidance you need to complete your journey successfully.
