Abel, Brent J. Schmidt, 2022-11-11 Ongoing debates about gay marriage abortion religious freedom and many other issues remind us that a culture war is now being waged over what it means to be moral in America calling into question biblical ideals that have shaped American society for hundreds of years Some claim that the moral traditions of the past are oppressive and outdated while others believe they are the only hope to save a morally declining nation It is in this context that the question motivating this book emerged To what extent do Americans keep the Ten Commandments sometimes called the Decalogue How prevalent in America are adultery dishonesty theft murder coveting and other behaviors prohibited in Judeo Christian tradition How much do Americans really focus on God honor their parents and keep the Sabbath Day holy This book explores the historical context and meaning of each commandment in order to compare ancient understandings of right and wrong to those of modern America and then examines its compliance Analysis of adherence to each of the Ten Commandments using data collected from tens of thousands of Americans paints an engaging picture of their commitment to the morals of the Decalogue In contrast to most books exploring moral issues this one does not tell readers what to think about the evidence Rather it encourages them to carefully consider the information and come to their own conclusions about the moral virtue or depravity of US society Readers may use the evidence found in this book to satisfy curiosity settle bets shape public policy create sermons stimulate conversation or even better to understand human nature They will come away equipped with knowledge that will encourage self reflection and increased understanding of twenty first century American morality Deuteronomy Ajith Fernando, 2012 Applies the message of Deuteronomy to Christians today showing that obedience is a response of love to God who first loved us **Nelson's Annual Preacher's Sourcebook, Volume 2** Thomas Nelson, 2012-12-10 Preach great sermons and plan innovative worship services with the newest edition of Nelson's Annual Preacher's Sourcebook This volume is the same sermon planner you have come to depend on for more than ten years Outstanding pastors provide an entire year's worth of preaching and worship resources for every week Look for a new volume every fall Features include Sermons creative outlines illustrations and quotes for every week of the year Worship helps including hymns prayers and Scripture texts Inspirational thoughts and preaching techniques Sermons for special occasions and holidays Nelson's Annual Preacher's Sourcebooks sold to date More than 135 000 Nelson's Annual Preacher's Sourcebook Thomas Nelson, 2012-12-10 This volume is the same sermon planner you have come to depend on for more than ten years Outstanding pastors provide an entire year's worth of preaching and worship resources for every week **His Loving Law, Our Lasting Legacy** Jani Ortlund, 2007-08-09 Many Christians view the Ten Commandments as laws they are forced to obey in order to stay on God's good side In her book His Loving Law
