Xolo Peter Hurd, 2023-03-01 Xolo A Novel of Canine Horror By Peter Hurd About the Book Derek Rains a nature loving Colorado real estate developer adopts a Xolo for his young family These dogs were revered by the Aztecs as the guardians of the underworld But when the animal bites his son Derek is forced to abandon his new pet in the woods where it is picked up by an underground dog fighting ring Horrified to see people forcing animals to kill each other the Xolo taps into the ancient powers of its species to convince the other dogs to band together and kill their captors Now free and wanting revenge on the humans who hurt and abandoned them the dogs begin killing people who imprison their pets growing the pack s ranks in the process With the murders spreading across the county the local sheriff s suspicions fall on Derek whose pet was the only vicious animal in the area before these attacks Derek refuses to believe that his dog could be responsible for so much carnage but when his young son almost becomes the Xolo s next victim Derek must face up to the facts and put an end to the slaughter Peter Hurd s XOLO is a rip roaring action packed and delightfully gory horror story that positions man s best friend as humanity s deadliest enemy and has a lot of fun with the ensuing conflict A true underdog in search of revenge tale tail it offers danger suspense and a more than slight chance of rabies If you thought Cujo had attitude wait until you meet Xolo Erin Britton San Francisco Book Review Powered by an unapologetically gory and violent narrative breakneck pacing and an innate understanding of horror tropes and expectations the story has a cinematic vibe it reads like a screenplay moving from one memorable scene to the next hardcore horror fans should find this blood splattered novel highly satisfying Stephen King s Cujo meets Alfred Hitchcock s The Birds Paul Allen BlueInk Review Fans of seminal works like Pet Sematary are certain to enjoy this updated twist on the animal horror subgenre Peter Hurd holds nothing back in describing the capacity for violence in both humans and their canine compatriots in this novel and it makes for compelling reading as the dog pack swells in numbers that would give any zombie novel a run for its money the sharp concise use of dialogue helps move the plot forward at a brisk pace the violent scenes were truly horrifying I would certainly recommend Xolo to horror fans everywhere seeking a well penned and highly creative chilling tale K C Finn Readers Favorite Horrifying yet visceral Xolo will strike you as a cross between Cujo and Devil Dog but the novel itself offers its own unique storyline a study of the human canine relationship and the tragedies it presents Peter Hurd gives the novel an eerie Lovecraftian vibe the horror that pervades is so mysterious that we need to look deep within ourselves first to understand its very nature Xolo is more than just a story of a vengeful canine it s about what we don t see in ourselves It s a novel about conscience priorities principles fear danger revenge love and peace With its foreboding atmosphere and sharp tension this highly recommended tale of canine horror can potentially become a classic Vincent Dublado Readers Favorite Hurd has written a dark yet moving book that draws you in from the very beginning with compelling characters including one enigmatic dog making it a great terrorizing read for any fans of the horror genre Alex Telander Manhattan Book Review The story is fast to establish its familiar horror roots The escalating

attacks are meted out in a way that creates tension while the attacks themselves are gory they also hold attention showing blood splattering and relaying the sensations of canine teeth ripping flesh Every character is developed in rich terms Indeed everyone who populates this novel has a place in its story a fact amplified by the poetic descriptions of the settings The prose maintains an underlying mounting sense of terror Xolo haunts it in cult horror fashion implacable and ever present John M Murray Foreword Clarion Reviews A modern creature feature that pays homage to classic horror Hurd is a talented writer who knows how to pace a scene for maximum scares Hurd lets you see every detail and feel the menace you know the dogs are close He creates believable characters with human flaws and problems And horror fans will enjoy his occasional nods to genre classics Kirkus Reviews

The Ultimate Guide to Wild Canines, Primitive Dogs, and Pariah Dogs Marjorie Daley, 2019-08-17 Why This Book The Ultimate Guide to Wild Canines Primitive Dogs and Pariah Dogs is geared toward the experienced dog owner who wants to own a pure wild canine a wolf dog coydog dingoX or primitive pariah dog In this book we will examine pureblood wild canines and their crosses and look at several primitive pariah breeds We will lay out the challenges that you can expect from these breeds including housing transporting and socializing We will also discuss the current state and provincial laws surrounding ownership of wild canines This is not a training manual If you are an inexperienced dog owner and think having a wild canine or cross is cool or a status symbol please read this book very carefully Wild canines are not for the inexperienced dog owner For the sake of the dog you plan to bring home please consider your decision very carefully These dogs are a challenge even for experienced dog handlers Wild animals and their crossbreeds do not belong in 99% of homes The rehoming options are slim and your pet wild canine may end up paying for your decision with its life Primitive dogs have a long history of living on the edges of human habitation They may not come with the same legal challenges as a wild canine but you will still have plenty of work ahead of you including training and socializing your primitive Carefully think through your decision to adopt a primitive Bringing home a couch wolf can cause

problems in your home If you ve accidentally gotten a primitive dog from a shelter I highly encourage you to read this book then find a reputable trainer who understands that this is not just a dog I acquired my primitive dog accidentally and while I was an experienced dog owner I was still baffled until I realized what she was and adapted to her behaviors A common domesticated dog is a huge responsibility However a wild or primitive dog requires far more work Owning one may be the greatest experience in your life but it will also be one of the biggest challenges For the sake of your future pet take the time to read this book carefully Owning a wild dog a wolf coyote dingo or even something imported from Africa might sound like an amazing opportunity Imagine the looks you ll get Imagine how much fun it will be to walk down the street with your silver coated wolf by your side However before you make that sort of commitment take some time to learn about wild dogs Bringing a wild dog into your life can have some long term legal and ethical outcomes Because wild dogs are governed by state laws The Ultimate Guide to Wild Dogs Primitive Dogs and Pariah Dogs examines the basic laws and requirements for those owning wild dogs What happens when your wolf dog mistakes cattle for their rightful prey Can you keep a coy dog in an apartment Did you know that finding vet care can be a challenge for your wild dog and that their nutritional training and exercise requirements are different Will your homeowner s insurance even cover a wild dog Before you make a commitment to a wild dog learn what you can expect from bringing an undomesticated dog into your life This book also examines pariah and primitive dogs those with specific physical characteristics who live on the outskirts of human society These dogs are somewhat more socialized than a wild dog but come with their unique challenges and interesting personalities If you ve met one of these unique dogs during a trip to another country how do you go about bringing it home What sort of quarantines are in place Can they be fully associated into a home This book answers all these important questions and will help you to decide if a wild dog primitive dog or pariah dog is the right match for your home and family *Xoloitzcuintli* Amy
