This is a stimulating overview of twentieth century American fiction, offering invaluable guidance and essential information for students and general readers.

Exploring the Connections Between Ethnicity, History, Mythology and Literature Dipa Chakrabarti, Parul Mishra, Gunja Patni, 2024-11-28

The book intends to explore intricate connections between history, ethnicity, mythology and literature, unravelling the threads that weave together the diverse narratives that shape our understanding of identity. By examining the interplay of these elements, the book offers an understanding of how historical events, cultural myths and ethnic heritage enrich literature, create multifaceted and complex identities. Among other things, it also emphasizes the need to reinterpret our past history, *samskaras* and knowledge system that holistically shapes the human conscience, mind and values of contemporary times. The book is tailored for scholars, students and enthusiasts interested in the intersections of history, ethnicity, mythology and literature. It will appeal to those in the fields of cultural studies, literature, history, sociology and anthropology, as well as a broader audience intrigued by the complex tapestry of human identity.

Native Americans Today Bruce E. Johansen, 2010-06-22

This engaging collection of Native American profiles examines these individuals' unique life experiences within the larger context of U.S. history. *Native Americans Today: A Biographical Dictionary* focuses on the lives of contemporary Native Americans. Such treatments are rare, as most Native American biographies are historical, pre-1900, and cover familiar figures. Profiles collected here are written to be enjoyable as well as instructive, presented as examples of personal storytelling that should be savored not only for their factual content but also for the humanity they evoke. The book spotlights Native American lives in the United States and Canada, mainly after 1900, though a few older figures are included because their lives evoke strikingly modern themes. The author, an expert on all things Native American, knows or knew several of the people in the entries, adding a special vibrancy to the writing. Among those profiled are former U.S. Senator Ben Nighthorse Campbell, activist Eloise Cobell, and controversial political prisoner Leonard Peltier, as well as writers, artists and musicians. The compilation also includes non-Native Americans whose lives and careers impacted Indian life.
