Uniquely Celtic - The Soul and the Spirit Frank Rafter, 2015-11-09 Uniquely Celtic The Soul and the Spirit is the second book from Frank Rafter. On this occasion however the author changes tact focusing predominantly on players who were somewhat overshadowed by other legends in their eras at Parkhead. Included is one of the longest pieces ever penned on the life of Willie Fernie with help from his family the tales of numerous talented players faithful supporters and much more. In all this book aims to give the reader a greater insight into the stories of some of the individuals who have helped to make Celtic Football Club so very special.

From Despair to Delirium Howard Falshaw, 2023-11-09 This book began as a series of blog posts each post based on the most recent Carlisle United match. It charts the club's decline in the 2021/2022 season to a point in February 2022 when the club found itself in the League Two relegation zone. The return of Carlisle-born former manager Paul Simpson saw the club embark on a dramatic revival which resulted in Carlisle United comfortably avoiding relegation. The author was present at many of those games that ensured the team's climb to safety. Following retirement in July 2022 the author was in a position to buy season tickets for himself and his son meaning that they were able to attend about 75% of the club's games in the 2022/2023 season clocking up well over 7,000 miles in the process in addition to the physical journey. It was a remarkable metaphorical journey for the club. Mild expectation grew into optimism grew into ambition grew into expectation before the remarkable denouement that saw Carlisle win an unlikely promotion to League One in the most dramatic fashion via a penalty shoot out in the play off final at Wembley. This book recounts that two season journey blow by blow each post written within two or three days of the relevant game and not revised with the benefit of hindsight. It is an essential read for any supporter of Carlisle United but will also resonate with any supporter of a lower league football club who has endured years sometimes decades of disappointment despair and frustration before achieving that brief but precious moment in the sun.

Celtic Soul Chas Hinton, 2008-10-20 Seven Secrets of the Celtic Spirit William John Fitzgerald, 2001 What makes the Celtic spirit unique. Fr Fitzgerald is a master storyteller and a Catholic priest who lives in Scottsdale Arizona. He has journeyed to Ireland seven times each time bringing new adventure and an unfolding of new personal insights into the Celtic spirit.

Stories of the Celtic Soul Friends Edward Cletus Sellner, 2004 Edward C Sellner tells of the tradition of the Celtic anamchara or soul friend the loving mentor who promotes the spiritual growth of those he or she guides in his original and insightful *Stories of the Celtic Soul Friends*. Here punctuated by the stimulating stories of the four leaders of the early Celtic church St Patrick St Brigit St Columcille and the relatively obscure St Colman of Land Ela the author traces celebrates and demonstrates the tradition's immediacy to our own faith lives and work holding Jesus as the perfect exemplar. Mentors teachers of religion pastors counselors and anyone embarking upon a spiritual journey should find this a beneficial as well as invigorating read. A new twist on Celtic spirituality.
