Humor Us! Alyce M. McKenzie, Owen Hanley Lynch, 2023-06-06 Homiletics textbooks often discourage the use of humor in preaching regarding it as trivializing or distracting The result is that many preachers have failed to understand humor's positive power demoting it to the opening joke to get a guaranteed guffaw to warm up the crowd Humor Us the second volume in the Preaching and series is a collaborative effort by homiletician Alyce M McKenzie and humor scholar Owen Hanley Lynch that promotes humor a force capable of great good to its rightful place in the pulpit Establishing humor as a divine gift Humor Us opens to preachers the world of humor studies with its positive portrayal of humor's usefulness to speak truth to power unite people in their common humanity and strengthen them to cope and survive in tough times Humor Us helps preachers understand how humor works and shows them in very practical and specific ways how preachers can put it to work in their sermons It combines the wealth of knowledge of two highly regarded scholars practitioners to show how humor can become a potent tool for sharing the good news in sermons McKenzie and Lynch prove that humor when applied thoughtfully can foster compassion and a sense of common humanity help challenge an unjust status quo and invite listeners into a shared experience of the presence of God

De Gruyter Handbook of Humor Studies Thomas E. Ford, Władysław Chłopicki, Giseline Kuipers, 2024-07-22 The De Gruyter Handbook of Humor Studies consolidates the cumulative

contributions in theory and research on humor from 57 international scholars representing 21 different countries in the widest possible diversity of disciplines It organizes research in a unique conceptual framework addressing two broad themes the Essence of Humor and the Functions of Humor Furthermore scholars of humor have recognized that humor is not only a universal human experience it is also inherently social shared among people and woven into the fabric of nearly every type of interpersonal relationship Scholars across all academic disciplines have addressed questions about the essence and functions of humor at different levels of analysis relating to how narrowly or broadly they conceptualize the social context of humor Accordingly the editors have organized each broad thematic section into four subsections defined by level of analysis The book first addresses questions about individual psychological processes and text properties then moves to questions involving broader conceptualizations of the social context addressing humor and social relations and humor and culture By providing a comprehensive review of foundational work as well as new research and theoretical advancements across academic disciplines the De Gruyter Handbook of Humor Studies will serve as the foremost authoritative research handbook for experienced humor scholars as well as an essential starting point for newcomers to the field such as graduate students seeking to conduct their own research on humor Further by highlighting the interdisciplinary interest of new and emerging areas of research the book identifies and defines directions for future research for scholars from every discipline that contributes to our understanding of humor

The Social Psychology of Humor Madelijn Strick, Thomas E

Ford, 2021-04-05 This important new book provides a comprehensive analysis of humor from a social psychological perspective addressing questions about the use of humor and its effects in daily life It examines the social psychology of humor on micro level phenomena such as attitudes persuasion and social perception as well as exploring its use and effect on macro level phenomena such as conformity group processes cohesion and intergroup relations Humor is inherently a social experience shared among people essential to nearly every type of interpersonal relationship In this accessible volume Strick and Ford review current research and new theoretical advancements to identify pressing open questions and propose new directions for future research in the social psychology of humor The book explores fascinating topics such as humor in advertising political satire and the importance of a sense of humor in maintaining romantic relationships It also examines how racist or sexist humor can affect personal and intergroup relations and discusses how to confront inappropriate jokes Offering new precise and operational conceptions of humor in social processes this book will be essential reading for students and academics in social psychology media and communication studies

Studies in Ethnopr pragmatics, Cultural Semantics, and Intercultural Communication Kerry Mullan, Bert Peeters, Lauren Sadow, 2019-10-24 This book is the first in a three volume set that celebrates the career and achievements of Cliff Goddard a pioneer of the Natural Semantic Metalanguage approach in linguistics In addition it explores ethnopr pragmatics and conversational humour with a further focus on semantic analysis more broadly Often considered the most fully developed comprehensive and practical approach to

cross linguistic and cross cultural semantics Natural Semantic Metalanguage is based on evidence that there is a small core of basic universal meanings semantic primes that can be expressed in all languages It has been used for linguistic and cultural analysis in such diverse fields as semantics cross cultural communication language teaching humour studies and applied linguistics and has reached far beyond the boundaries of linguistics into ethnopsychology anthropology history political science the medical humanities and ethics

Cases on Applied and Therapeutic Humor Cundall Jr., Michael K., Kelly, Stephanie, 2021-06-25 Recent evidence indicates that humor is an important aspect of a person's health and studies have shown that increased levels of humor help with stress pain tolerance and overall patient health outcomes Still many healthcare providers are hesitant to use humor in their practice for fear of offense or failure Understanding more of how and why humor works as well as some of the issues related to real world examples is essential to help practitioners be more successful in their use and understanding of humor in medical care Through case studies and real world applications of therapeutic humor the field can be better understood and advanced for best practices and uses of this type of therapy With this growing area of interest research on humor in a patient care setting must be discussed Cases on Applied and Therapeutic Humor focuses on humor in medical care and will discuss issues in humor research assessment of the effectiveness of humor in medical settings and examples of medical care in specific health settings The chapters will explore how propriety effectiveness perception and cultural variables play a role in using humor as therapy and will also provide practical case studies from medical healthcare professionals in which they personally employed humor in medical practice This book is ideal for medical students therapists researchers interested in health humor and medical care healthcare professionals humor researchers along with practitioners academicians and students looking for a deeper understanding of the role humor can play as well as guidance as to the effective and meaningful use of humor in medical healthcare settings

Disparagement Humor in Social Life Nathan Miczo, 2022-09-07 In this book Nathan Miczo demonstrates that humor operates at different levels of identity exploring how within and between group dynamics shape the creation and reception of disparagement humor While positive forms of humor arise in interpersonal settings negative forms reflect the activation of group based communal identities Building on this dual sociality view Miczo critiques the superiority theory of disparagement humor rooted in Hobbes's definition of laughter and tied to his notion of a war of all against all Miczo employs the *agon* Greek for contest to replace the Hobbesian metaphor with a view that groups use disparagement humor to pursue rival goals This perspective forwards the multifunctional utility of humor in social life analyzing examples of naturally occurring interaction drawn from studies in Communication Psychology and Anthropology Scholars of humor studies communication and anthropology will find this book of particular interest

Organizational Culture in Action Gerald W. C. Driskill, 2018-12-07 Offering students and practitioners an applied approach to the subject Organizational Culture in Action OCA walks them through a six step model for analyzing an organization's culture to provide insight into positive

communication practices to improve organizational ethics and effectiveness The authors review relevant theory while integrating a constitutive approach to studying organizational culture and communication Practical guides for multiple data collection methods are provided and the workbook format is full of interactive tools that engage students and reinforce learning The revised OCA cultural analysis model in this edition provides the below elements The revised first step in the model articulating the value of cultural analysis includes connections to public relations and crisis management A definition of communication and the analysis process that foregrounds ethics throughout the book is included Recent research on organizational moral learning is integrated in the ethics chapter and throughout the book The Communicative Constitutive of Organizations is now foregrounded throughout the book and reflected in a table capturing variable and metaphor approaches to culture The latest applied research is integrated in units on diversity change leadership and effectiveness in relation to positive organizational communication Enriched guides on multiple data collection methods now includes surveys Cases examples and applications relevant to crisis employee engagement virtual organizations conflict management and public relations are provided Professionals come away equipped to apply cultural insights to fostering inclusiveness in relation to diversity supporting organizational change making leadership more dynamic understanding the link between ethics and culture and achieving personal and professional growth

Transgressing Feminist Theory and Discourse Jennifer Dunn, Jimmie Manning, 2018-05-23 Despite decades of activism resistance and education both feminists and gender rebels continue to experience personal political institutional and cultural resistance to rights recognition and respect In the face of these inequalities and disparities Transgressing Feminist Theory and Discourse seeks to engage with and disrupt the long standing debates unquestioned conceptual formations and taboo topics in contemporary feminist studies The first half of the book challenges key concepts and theories related to feminist scholarship by advocating new approaches for theorizing interdisciplinarity intersectionality critical race theory trans studies and genetics The second half of the book offers feminist critiques or explorations of timely topics such as the 2017 Women s March and Donald Trump s election as well as non Western perspectives of family and the absence of women s perspectives in healthcare Contributors comprise of leading scholars and activists from disciplines including gender and sexuality studies African American studies communication studies sociology political science and media Transgressing Feminist Theory and Discourse is a compelling examination of some of the most high profile feminist issues today It hopes to infuse future and current debates and conversations around feminism and feminist theory with intersectional imaginative provocative and evocative ideas inspiring bold cross fertilizations of concepts principles and practices

As recognized, adventure as with ease as experience approximately lesson, amusement, as competently as understanding can be gotten by just checking out a books **Understanding Humor Through Communication Why Be Funny Anyway** as a consequence it is not directly done, you could acknowledge even more roughly this life, a propos the world.

We provide you this proper as skillfully as easy exaggeration to acquire those all.
