Understanding Islam An Introduction To The Muslim World Third Edition:

Understanding Islam Thomas W. Lippman, 1995-09-01 A little over thirteen centuries ago the prophet Muhammad converted a few Arab desert tribes to the belief in a single god Allah thus founding the religion of Islam Within a century that belief had created one of history's mightiest empires and today Islam continues to shape events around the globe This comprehensive guide offers an informative and insightful introduction to Islam both as a religion and as a political economic force It tells the story of Muhammad and the rise of Islam outlines the sacred book the Koran explains the five pillars of faith explores the interplay between religion and government describes the differences that divide Islam and above all shows the influence of Islam on world affairs This second revised edition provides crucial new material on the Islamic community today including discussion of the Gulf War and the Salman Rushdie affair the rise and ebb of fundamentalist fervor in Iran Algeria and elsewhere and the relationships among different factions of the Islamic faith There are also updated descriptions of internal politics in Syria Egypt Pakistan and other Islamic nations Complete with glossary bibliography and index

Understanding Islam is engrossing essential reading for both students and all who seek a clearer understanding of the world in which we live

Saudi Arabia on the Edge Thomas W. Lippman, 2012 Of all the countries in the world that are vital to the strategic and economic interests of the United States Saudi Arabia is the least understood by the American people This title dissects this central Saudi paradox for American readers including diplomats policymakers scholars and students of foreign policy

Understanding Islam Thomas W. Lippman, 1990 The completely updated and expanded study of the Moslem world from its earliest roots to today's headlines Complete with glossary bibliography and index this book is engrossing reading for all seeking a clearer understanding of the Moslem world

Islam in the World Malise Ruthven, 2006 This invaluable introductory guide provides a complete and lively summary of Islam one of the most worldly of the great religions in which the quest for spiritual fulfillment is inevitably bound up with political aspirations Malise Ruthven presents a full overview of the religion in its historical geographic and social settings

Religious Organizations and Democratization Tun-jen Cheng, Deborah A. Brown, 2015-03-26 Since the terrorist attacks on 9/11 the political roles of religious institutions and groups have captured international attention This book examines how religious institutions and organizations in various Asian countries are influencing democratic development and the shaping of government policies *Religious Organizations and Democratization* covers Taiwan Hong Kong Mainland China Korea Thailand the Philippines Malaysia Indonesia and Japan The chapters specifically address the engagement of Christian Buddhist Muslim and other religious organizations in the advancement and or hindrance of democratization in the region The contributors consider such questions as Why have some religious organizations played a decisive role in democratic transitions while others remained politically dormant and other still acted in conservative alliances to block democratic development Why did some religious organizations that once were active and instrumental to democratic change lose their political vitality as soon as civil liberties were successfully

introduced And why did other religious organizations irrespective of their roles in the process of democratic transition emerge as key political forces in the civil society

The Muslim Majority Robin Hadaway, 2021-09-15 More than 70 percent of Muslims worldwide practice folk Islam a syncretistic mix of theologically orthodox Islam and traditional religious beliefs and practices The Muslim Majority is unlike many published works on evangelism to Muslims which argue for either apologetic or contextualized bridge approaches These approaches are often ineffective in reaching adherents of popular Islam Instead author and missiologist Robin Hadaway outlines a contextual approach that addresses the unique perspective of popular Islam Hadaway explains the differences between folk Islam and orthodox Islam and explores best practices for reaching the vast majority of Muslims with the gospel of Jesus Christ

Novel and Nation in the Muslim World Daniella Kuzmanovic, Elisabeth Özdalga, 2015-07-20 Exploring the relationship between fiction and nation formation in the Muslim world through 12 unique studies from Azerbaijan Libya Iran Algeria and Yemen amongst others this book shows how fiction reflects and relates the complex entanglements of nation religion and modernity in the process of political and cultural identity formation
