Undoing The Silence Six Tools For Social Change Writing:

Undoing the Silence Louise Dunlap, 2007-11 *Undoing the Silence* offers guidance to help both citizens and professionals influence democratic process through letters articles reports and public testimony Louise Dunlap PhD began her career as an activist writing instructor during the Free Speech Movement of the 1960s She learned that listening and gaining a feel for audience are just as important to social transformation as the outspoken words of student leaders atop police cars Free speech is a first step but real communication matches speech with listening and understanding That is when thinking shifts and change happens Dunlap felt compelled to go where the silences were deepest because her work aimed not just at teaching but also at healing both individual voices and an ailing collective voice Her tales of those adventures and what she knows about the culture of silence how gender race education class and family work to quiet dissent are interwoven with practical methods for people to put their most challenging ideas into words Louise Dunlap gives writing workshops around the country for universities and social justice environmental and peace organizations that help reluctant writers get past their internal censors to find their powerful voice Her insight strengthens strategic thinking and her You can do it approach makes social action writing achievable for everyone *Undoing the Silence* Louise Dunlap, 2007 **Arts for Change**

Beverly Naidus, 2009-04-01 *Arts for Change* presents strategies and theory for teaching socially engaged art with an historical and contemporary overview of the field The book features interviews with over thirty maverick artists faculty from colleges and universities in the United States Canada and Great Britain whose pedagogy is drawn from and informs activist arts practice The issues these teaching artists address are provocative and diverse Some came to this work through personal healing from injustice and trauma or by witnessing oppressions that became intolerable Many have taught for decades deeply influenced by social movements of the 1960s and 1970s yet because the work is controversial tenured positions are rare

By Heart Judith Tannenbaum, Spoon Jackson, 2010-04 A two person memoir that explores education prison possibility and which children our world nurtures and which it shuns At the book's core are two stories that speak up for human imagination spirit and the power of art A boy with no one to listen becomes a man in prison for life and discovers his mind can be free A woman enters prison to teach and becomes his first listener And so begins a twenty five year friendship between two gifted writers and poets The result is *By Heart* a book that will anger you give you hope and break your heart Gloria Steinem Judith Tannenbaum and Spoon Jackson met at San Quentin State Prison in 1985 For over two decades they have conferred corresponded and sometimes collaborated producing very different bodies of work resting on the same understanding that human beings have one foot in darkness the other in light In this beautifully crafted exploration part memoir part essay Tannenbaum and Jackson consider art education prison possibility and which children our world nurtures and which it shuns At the book's core are two stories that speak for human imagination spirit and expression Judith Tannenbaum is a nationally respected educator speaker and author Among her books are the memoir *Disguised as a Poem*

My Years Teaching Poetry at San Quentin two books for teachers Teeth Wiggly as Earthquakes Writing Poetry in the Primary Grades and with Valerie Chow Bush Jump Write In Creative Writing Exercises for Diverse Communities Grades 6 12 and six poetry collections She currently serves as training coordinator with WritersCorps in San Francisco Born into a family of fifteen boys in Barstow California Spoon Jackson was sentenced to Life Without Possibility of Parole when he was twenty years old Spoon discovered himself as a writer at San Quentin played Pozzo in the prison s 1988 production of Waiting for Godot and has written published and received awards for plays poetry novels fairy tales short stories essays and memoir during the more than thirty years he has been behind bars His poems are collected in Longer Ago Occupational Therapies without Borders - Volume 2 Frank Kronenberg,Nick Pollard,Dikaïos Sakellariou,2011-10-24 The companion text to Occupational Therapy without Borders Volume 1 learning from the spirit of survivors In this landmark text writers from around the world discuss a plurality of occupation based approaches that explicitly acknowledge the full potential of the art and science of occupational therapy The profession is presented as a political possibilities based practice concerned with what matters most to people in real life contexts generating practice based evidence to complement evidence based practice As these writers demonstrate occupational therapies are far more than as some critical views have suggested a monoculture of practice rooted in Western modernity Nobel Peace Laureate Desmond Tutu captures the ethos of this book which essentially calls for engagements in the service of a purpose that is larger than the advancement of our profession s interests Your particular approach to advancing our wellbeing and health strikes me as both unique and easily taken for granted Whilst you value and work with medical understandings your main aim seems to go beyond these You seem to enable people to appreciate more consciously how what we do to and with ourselves and others on a daily basis impacts on our individual and collective wellbeing As occupational therapists you have a significant contribution to make allowing people from all walks of life to contribute meaningfully to the wellbeing of others Links philosophy with practical examples of engaging people in ordinary occupations of daily life as a means of enabling them to transform their own lives Includes contributions from worldwide leaders in occupational therapy research and practice Describes concrete initiatives in under served and neglected populations Looks at social and political mechanisms that influence people s access to useful and meaningful occupation Chapters increase diversity of contributions geographically culturally and politically Emphasis on practice education and research maintains academic credibility A glossary and practical examples in nearly every chapter make text more accessible to students **Transformative Practice in Higher Education** Alicja Syska,Carina Buckley,Gita Sedghi,Nicola Grayson,2025-03-31 This insightful book transforms crisis reflections into longer term guidance for a responsive engaged pedagogy within contemporary higher education HE In recent years HE institutions worldwide have seen a seismic shift that has compelled them to rapidly transition to online and blended learning models This book captures the ingenuity and resilience of educators who not only weathered the storm but emerged from it with innovative practices that

have permanently transformed the landscape of teaching and learning in universities Through interdisciplinary accounts and scholarly perspectives across diverse disciplines and geographies it highlights care creativity and resilience in practices that build community support learners and foster engaged learning Each chapter offers enduring lessons for learner centred responsive pedagogy detailing innovations that practitioners permanently integrated across delivery formats This key title is written for HE practitioners across the globe whether they are teaching in the context of a subject discipline or identify themselves as blended or integrated professionals Its insights will provide inspiration guidance and points for reflection for all those who wish to engage with critical pedagogies and long term transformation in contemporary HE
