

# **UNIT 12: ABNORMAL PSYCHOLOGY CASE STUDIES II**

## **Possible Symptoms:**

Paranoid Delusions  
Word Salad  
Mania  
Social Isolation/Withdrawal

Grandiose Delusions  
Hallucinations

Depression

## **Possible Diagnosis:**

Paranoid Schizophrenia  
Disorganized Schizophrenia  
Catatonic Schizophrenia

Bipolar Disorder  
Major Depression

### **Case 1:**

The patient lies in bed hardly moving. He does not look at anyone passing by his bed. His facial expression is empty and unchanging. He is thin and pale and looks physically ill. He refused to eat and has to be fed by a stomach tube. He cannot control urination or defecation. Occasionally he mutters a few words like "Sin...Sinners...Hell" apparently preoccupied completely with his thoughts of sin and punishment. We are quite sure he does not know where he is - he may believe he is in hell.

Symptom(s):

Diagnosis:

### **Case 2:**

A young man believed that he was destined to become Emperor of the United States. "I could do a lot for the world," he said. "The U.S. has presidents, will it ever have an emperor? I'll bet you think I'm nuts to ask about that. I must have the morning paper to keep track of world affairs. If the people of the United States want me to rule them, I'm willing to do so; but no one has been to see me and tell me. I'll be glad to lead them." Later he spoke of hearing public announcements that he was to be crowned emperor. "It's been heard all over the country... The world is in chaos. Thousands will be killed. I'm not a god or a devil, but I'm a supernatural being." All nations will be under his rule but Egypt. Along with these delusional convictions, the patient believed that attempts to kill him were repeatedly being made so that he lived, like Damocles, in constant danger.

Symptom(s):

Diagnosis:

### **Case 3:**

Dear Sir:

This is not my shape or face Mary has given me her glass eye and she has my nose. Bob Hope, Crooked Mouth Peter Lin Hayes, has given me his lopsided shoulder and terrible mans figure. He sold his shape to Mr. Albright, I want my own things.

Frances, Pinky tongue. She has my nose.

Cathy Crosby has most of my things I want them. I have little Reds Kork leg from the Hotel he lives most of the time and a few other bad features I can't mention he gave me. I guess knowing him you must know what it is.

Delores club finger and two other fingers she had smashed in a defense plant Ruth.

Peggy or Hildegard has my hands and has gave me her large lump in the back of the neck and her large head. Ida Jeanette has my eyes and hair and other things so make her give them back. I don't want these things anymore the Contest is over.

I want my own things back and also my daughter.

Doctor Cameron has Patricia and I want her back immediately I'm going to the police. I know all hers and my pictures with my attorney. Patricia took 3 screen tests I have proof for these things I took one also.

Symptom(s):

Diagnosis:
