Vindication Sienna Valentine, 2016-01-05 He was blazingly handsome big blue eyes in a boyish face shaved head a thick moustache and beard of dirty blond hair biceps that were cut stretching against the thin white cotton of the short sleeved shirt underneath his vest From what I can tell Ghost is one of the most ruthless members of the Black Dogs MC He seems to take a certain pleasure in violence and mayhem and he has a wit that is just as sharp as any of the blades he carries He s also about as arrogant and infuriating as any man I ve ever met and has women fawning all over

him wherever he goes But for some reason he seems to think that I m his soulmate He calls me his Valkyrie and he shows up unbidden at the most inopportune times Like when I m trying to teach my class full of private school kids I told myself I d never fall for someone like him again but there s just something that I find hard to resist and it s not just all the muscles tattoos and how everything that comes out of his mouth seems designed to amuse someone even if it s just himself Getting mixed up with him is crazy and I should know better Especially once trouble starts brewing all around us The thing is even though Ghost is the most dangerous man I ve ever met I ve never felt safer than when I m in his arms *Reaper (Book 3)*
