Created in the Image of God Otis Lee Gaston, 2023-08-02 We are told in the Scriptures that God desires that we know Him more than He desires sacrifices Hosea 6:6 The way to know God is through the study of His word the Bible and a personal relationship with Him through our acceptance of the salvation offered through His Son Jesus The primary goal of *Created in the Image of God* is for us to know God through studying the Trinity the three part structure of God as presented in the Bible and comparing and contrasting the Trinity with the three part structure of mankind who is created in the image of God Genesis 1:26 *Created in the Image of God* attempts to bring forth relevant Scriptures as pertaining to the Trinity and the creation of mankind as well as applicable thoughts of theological scholars as they pertain to this topic Through the study of the trichotomic structure of mankind we will see how mankind is able to relate to God the meaning of regeneration at salvation the distinction between the indwelling and the filling of the Holy Spirit the root cause of addictive behaviors the reason that mankind is above and different from the rest of the animal kingdom and the purpose and cause of prevenient grace Above all the hope of *Created in the Image of God* is that it leads readers to know God more fully so that we can love him more wholly

The Trouble with the Trinity Carlos A. Pinkham,2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God s Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and

science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author's Facebook page <https://www.facebook.com/TTWTTrinity> view_public_for 100820838002256 *Acting Movie Scripts or Fulfilling Prophecies?* Daniel Ukadike Nwaelene

ThD,2018-10-15 *Acting Movie Script or Fulfilling Prophecies* is the second published work of this author after the first one Jesus Christ Savior Judge and King of the World The overwhelming deeds miracles and teachings of Jesus Christ led to the question Could Jesus Christ have been acting as a movie actor what He read in the Scriptures Having believed in Him these many years the author quickly tried to dismiss the question as coming from the devil But the Spirit asked him what if an unbeliever asked the same question to disprove Jesus Christ's deity what would be the answer This led to searching for facts to prove that Jesus was not just acting man made movie scripts but was fulfilling the old time prophecies concerning God's plan for redemption of lost mankind Some other people may have been asking similar questions Happily they have an answer in *Acting Movie Script or Fulfilling Prophecies* a book for the consumption of everybody that can read the English language It is targeted at all persons who desire to know Through Prophet Hosea the Lord said My people are destroyed for lack of knowledge Hosea 4:6 Most of the Bible references are fully quoted from the Holy Bible KJV So reading through the book automatically creates an opportunity to read many portions of God's Word Details of the works and teachings of Jesus Christ and many of the prophecies about Jesus Christ the Messiah and their fulfillment form a major part of the book Read through with an open mind and you will be convinced that Jesus Christ was not an actor but the Son of God who came to save all believing mankind from eternal damnation in hellfire to heaven where we will spend eternity with God in His kingdom

Understandings of the Power of Peace Elwin L. Dickerson III Ed.D.,2017-01-26 Every hour of every day proves that inadequate solutions for social political and personal crises flamed by multifaceted hate singes everyone Peace cannot be a compromise Peace visits and like great escape artists it vanishes leaving in its place bewilderment and unquenchable desire for more Peacelessness is profitable Industry and governments grow in response to peacelessness Corporations and cousins fight for a piece of the pie Blessed must be the peacemakers they experience only temporary success yet their efforts continue in hope as evidence of things not seen Peace is the strong cord running through history Peace ties together every chapter of every book of the Bible Peace is the subject of every sermon and hymn and is the cause of every war Peace is so powerful even God works under its influence Who understands that Peace will bring this world to its end
