Unchecked Corporate Power Gregg Barak,2017-02-03 This book offers an expos of the globalized corporate financial and state crimes of powerful organizations drawing on a range of current cases from the recent epidemic of Wall Street securities

frauds to the torturing of prisoners by the US **An Introduction to Political Crime** Jeffrey Ian Ross,2012 An introduction to political crime provides a comprehensive and contemporary analysis of political crime including both violent and nonviolent crimes committed by and against the state in the United States Canada United Kingdom and other advanced industrialized democracies since the 1960s **Violence Against Women** Walter S. DeKeseredy,2011-01-01 In *Violence Against Women* award winning author Walter S DeKeseredy offers a passionate but well documented sociological overview of a sobering problem He starts by outlining the scope of the challenge and debunks current attempts to label intimate violence as gender neutral He then lays bare the structural practices that sustain this violence leading to a discussion of long and short term policies to address the issue DeKeseredy includes an examination of male complicity and demonstrates how boys and men can change their roles Throughout he responds to myths that dismiss threats to women s health and safety and provides an impassioned call to action for women men and policymakers *Theft of a Nation* Gregg Barak,2012-08-02 *Theft of a Nation* presents a powerful criminological examination of Wall Street s recent financial meltdown and its profound impact on the rest of the country This provocative book asks why if the actions of key players on Wall Street and in the government resulted in an economic downturn that harmed millions of Americans and destroyed capital worldwide no one was held criminally liable for these actions Author Gregg Barak provides a basic history of financial regulation and deregulation as well as a primer on both securities fraud and mass victimization Using key concepts in victimology and white collar crime he explores the diverse ways civil and criminal law enforcement responded to the damaging behavior on Wall Street The book also assesses Wall Street Financial Reform and the Consumer Protection Act of 2010 showing the ways that Americans may still be at risk *Theft of a Nation* is the first comprehensive criminological investigation of the role of Wall Street and the government in the recent financial crisis asking critical questions about who has been victimized and why

Postmodernist and Post-Structuralist Theories of Crime Dragan Milovanovic,2017-07-05 This volume presents the rich and provocative historical theoretical methodological and applied developments within affirmative postmodern and post structural criminology This includes the evolution of thought that embraces the linguistic turn in crime law justice and social change Previously published articles authored by key thinkers are included throughout the book s five substantive sections Collectively they represent important reflections on the current criminological landscape in which symbolic linguistic material and cultural realms of analyses are featured Policing in Europe Antoinette Verhage,2010 *The Journal of Police Studies* is a quarterly which is oriented towards high standard quality contributions on policing issues and phenomena that are of interest to the police Topics are approached from a specialist and if required multidisciplinary point of view The volume looks to answer questions regarding the developments of police and police cooperation in Europe at the supranational level as well as explore the reactions of police organizations in individual European countries to the process of transnationalisation in terms of the design of and philosophy within police organizations **Indicting the 45th President**

Gregg Barak,2024-04-01 Indicting the 45th President is a sequel to Criminology on Trump in real time continuing the criminological investigation into the former US president Developing and expanding on the themes of family dynamics deviance deception dishonesty and the weaponization of the law this book offers the next chapter on the world s most successful outlaw In this new book Gregg Barak considers the campaigns and policies the corruption the state organized abuses of power and obstructions of justice the pardons the failed insurrection the prosecutions the indictment of Trump and the politics of punishment as these revolve around the Trumpian character and social structures that encourage such crimes of the powerful Barak also thoroughly addresses the threat to American Democracy critiques the current state of the U S constitutional system and proposes reforms to enhance justice for all in the United States Another accessible and compelling read this is essential reading for all those engaged with state and white collar crime in the context of power and privilege and those seeking a criminological understanding of Trump s evasion of law and justice *Reordering Security* Ian Loader,Sarah Percy,2017-10-02 Traditional security distinctions are being rapidly eroded Lines drawn between war and crime are blurring with fateful consequences for divisions between militaries and police forces The assumption that security should be a publicly provided good has been challenged by private security providers both domestic and international Security is no longer if it ever was divided between what goes on inside one state and what occurs between states However our disciplinary tools for examining these security challenges remain resolutely focused on either the domestic or the international This book makes one of the first attempts to examine security from both perspectives bringing together and into much needed conversation the fields of criminology and international relations This book was originally published as a special issue of Global Crime

User-Avatar Bond: Risk and Opportunities in Gaming and Beyond Vasileios Stavropoulos,Rabindra Ratan,Kwan Min Lee,2022-06-07 **Laws and Societies in Global Contexts** Eve Darian-Smith,2013-01-31 This text promotes a more global sociolegal perspective that engages with multiple laws and societies and diverse sociolegal systems based on very different historical and cultural traditions interacting on multiple local national and global levels The approach to global legal pluralism seeks to provide a framework for envisioning new global governance regimes that move beyond state based solutions to deal with trenchant transnational challenges
