Virtuous Quantum Series Volume 1:

Here, There and Everywhere Marie Force, 2022-03-22 Isabella Coleman wasn't looking for love when she attended her cousin Wade's wedding in Boston but she hadn't counted on the bride's father Cabot Lodge. He's older, wiser, and one of the most handsome, charming, and funny men she's ever met. Izzie is instantly smitten, and after a wonderful time at the wedding, she's certain she'll hear from Cabot again soon. But she doesn't hear a word from him until she's back in Boston and invites him to dinner. After yet another fantastic time together, she's once again optimistic and once again disappointed when she gets nothing but silence from him. Cabot has his reasons for keeping his distance. After his former wife took off with their baby daughter, he spent twenty-five years looking for Mia, who suddenly reappeared in his life as a grown woman with a new husband. He's never been happier than since Mia returned, but those twenty-five years of searching left him with a deep well of bitterness that a sweet woman like Izzie doesn't need in her life. Until Izzy is seriously injured in a car accident and all bets are off. Bitterness aside, Cabot can think of only getting to her as soon as he possibly can and staying with her for as long as she'll have him. Now Izzy and Cabot are hunkered down in her cozy home in Vermont, and things are starting to get real. They'll both have to decide if their time together is a temporary interlude or the start of something lasting. **Come Together**

Marie Force, 2021-07-13 Three years after his marriage ended in dramatic fashion, Noah Coleman has one goal: to steer clear of romantic entanglements. In fact, he steers clear of most human interaction, studiously avoiding his large, meddling extended family, working until he's exhausted and then repeating the pattern day after day. His strategy has worked well for him for years, keeping him sealed off from anything that can cause him pain or angst. Or it was working for him before his company was hired to rebuild the Admiral Butler Inn after a fire reduced it to rubble and he was forced to co-exist with the exasperatingly difficult, gorgeous architect, the inn's owner, Mrs. Hendricks, hired to oversee the project. While nursing a badly broken heart, Brianna Esposito is determined to complete the Butler Inn construction under budget and on time and to make partner in the Boston firm where she's been working fourteen hours a day for five years. Nothing is going to stop her from achieving her goal, especially a cranky contractor with the people skills of a rabid cougar. Noah Coleman is the most exasperating human being she's ever had the misfortune to tangle with. She's never had screaming fights with anyone the way she does him, and the fact that he's also the sexiest man she's ever met makes it that much more difficult to hold her ground. When Mrs. Hendricks intervenes and orders the two of them to resolve their differences, Brianna is stuck having dinner with the man she wants to stab one minute and kiss the next. And will he ever tell her why he's so bitter and angry? Brianna suspects the answer to that question could also be the key to his well-protected heart. Come back to Butler, Vermont, to find out if these two adversaries will give in to the sparks that've been flying between them for months or if they'll finally succeed in driving each other crazy. *State of Denial* Marie Force, 2023-08-25 Denial: refusing to admit the truth or reality of something unpleasant.
