Neighborhood Transformation Olusegun Solomon Osineye,2024-07-31 Neighborhood Transformation is a Christian reimagination of compassionate ministry through the application of the practice of biblical hospitality This book advocates the creation of community outreach programs focused on emotional support legal support and spiritual refuge for undocumented African immigrants Linking the theological and biblical vision for neighborhood transformation with the philosophical framework of community building it considers the meaning of community within the context of the Christian calling to build a community of strangers in a pluralistic society like the United States of America The African diaspora is invited to their vocational calling of rebuilding their local communities using Nehemiah Ezra and the contemporary Jewish community in the Diaspora as biblical and contemporary example

State of the World's Minorities

and Indigenous Peoples 2010 Preti Taneja, 2010-07-01 A decade into the new century sees religious minorities confronting serious violations of their rights around the globe Following the violent attacks of 11 September 2001 governments of every political hue have used war on terror rhetoric to justify the repression of religious communities Other religious minorities have faced a violent backlash often unjustly accused of siding with belligerents In Africa the Middle East Asia and Latin America armed conflict and land seizures have forced minority and indigenous communities away from locations central to their religious beliefs Europe has witnessed gains by extreme right wing political parties which are targeting religious minorities with their inflammatory language In Central Asia governments have introduced tough new registration requirements for religious communities and prevented the building of places of worship In State of the World's Minorities and Indigenous Peoples 2010 Minority Rights Group International offers a comprehensive overview of the situation faced by minorities in a world increasingly divided along religious lines It includes An analysis of government initiatives that contribute to the marginalisation of religious minorities such as religious profiling and registration laws First hand accounts from around the world of the discrimination and exclusion faced by those belonging to minorities who wish to exercise their right to freedom of religion and belief An exploration of grassroots efforts through interfaith dialogue to ease tensions overcome conflicts and promote peaceful and equitable development An overview of the human rights situation of minorities and indigenous peoples in every major world region The unique statistical ranking and analysis Peoples under Threat 2010 An invaluable reference for policy makers academics journalists and everyone who is interested in the human rights situation of minorities and indigenous peoples around the world **The New York Times Index**, 2009 *Congressional Record* United States. Congress, 1935 **Strengthening the DSM** Betty Garcia, Randall Nedegaard, John-Paul Legerski, 2020-11-06 Note to Readers Publisher does not guarantee quality or access to any included digital components if book is purchased through a third party seller This essential companion to the DSM uniquely integrates intersectionality and resilience that helps mental health practitioners assess clients from a strength based perspective The third edition expands the section on neurocognitive disorders to include traumatic brain injury includes more information on assessment and treatment of common childhood disorders and brings a new focus on the impact of today's culture wars and their impact on mental health professionals policy and clients Also new to the third edition is an emphasis on meta analysis literature and a module on wellbeing discussing neuroscience and wellness concepts in relation to a strengths based approach to diagnosis By demonstrating how to practically integrate diversity and intersectionality into the diagnostic process rather than limiting assessment to a purely problem focused diagnostic label this successful textbook strengthens the DSM for social workers and other mental health practitioners by promoting the inclusion of intersectionality resiliency culture spirituality and community into practice It includes multiple case studies featuring complex real life scenarios that offer a greater depth of learning by demonstrating how a strength based assessment of the whole person can lead to more effective and successful treatment

Discussion questions promote critical thinking key points in each chapter highlight and reinforce important concepts and abundant web resources encourage additional study The book also includes a robust instructor package Purchase of the print edition includes access to Ebook format New to the Third Edition Adds traumatic brain injury to neurocognitive disorders section Expands information on treatment of common childhood disorders Emphasizes meta analysis literature Discusses neuroscience and wellness concepts in relation to a strengths based approach to diagnosis Focuses on wellness and health care delivery in the context of today s culture wars Key Features Delivers a unique formulation integrating intersectionality and resilience to provide strengths based assessment and treatment Demonstrates the rationale for strengths based DSM practice Includes real life case scenarios for complex problem solving Uses a standard format for each disorder for quick access to information Reviews key literature on disorders and evidence based best practices Provides classroom questions and activities to foster critical thinking Identifies professional and scholarly activities to promote increased effectiveness in diagnosis
