Elements of Leaders of Character Wayne Hogue,2013-08-08 Leaders spend their lifetime learning leadership it is every leaders infinite responsibility Leadership is such an abstract

personal and situational combination of art and skill that a cookie cutter recipe for anyone and everyone is an impossibility. However, becoming the kind of person the world desperately needs leading is certainly an attainable objective. Though not simple, the formula is found in *Elements of Leaders of Character*. *Elements of Leaders of Character* is a leader development book but not just any kind of leader; the kind of leader who wants to make a positive difference. *Elements* is a detailed illustration of the most significant attributes, practices, and principles of leaders who highly value the quality of people's character—especially their own. Leaders of character are people who care about the kind of person they are because they know the impact their character has on their own lives and world. Leaders of character step up to lead because they want to make the world a better place by being a better person and leader. If you want to be a leader or you are a leader and you are the kind of person who genuinely values ideals like commitment, honor, morality, and respect, you will readily discover how *Elements of Leaders of Character* applies directly to you, your leadership, and your success in life.

The Warrior Within Pat Williams, Jim Denney, 2006-04-10. This hurting world needs men of character and integrity: fathers, leaders, warriors who will not only take a stand for godliness and righteousness but who will also raise future generations of godly, righteous men. Where can one find the model for such a man? The answer lies in 1 Chronicles 7:40 with the story of Asher, the kind of godly man that all Christian men should aspire to become. In *The Warrior Within*, Pat Williams combines solid biblical principles, powerful contemporary stories, and an imaginative narrative of the life of Asher to discover how Christian men can become complete and dynamically effective in the four crucial dimensions of manhood.

Pathway to Purpose Anthony T. Gitonga, 2007. *Ezra and Nehemiah* David J. Shepherd, Christopher J. H. Wright, 2018-01-04. Two features especially distinguish the Two Horizons Old Testament Commentary series: theological exegesis and theological reflection. Both of these features are fully realized in this THOTC volume on *Ezra and Nehemiah* by David J. Shepherd and Christopher J. H. Wright. Following an introduction and concise verse-by-verse commentary on both books, Shepherd and Wright highlight key ways in which these Old Testament texts continue to speak to us today. They closely examine what *Ezra* and *Nehemiah* tell us about God and the people of Israel, reflect practically on leadership, and engage critically with those portions of the text such as *Ezra*'s dissolution of the Judeans' marriages with foreigners that present special problems for contemporary readers. Offering deep theological insight throughout, this volume will prove essential for students, pastors, and other Christian leaders seeking to engage in theological interpretation of Scripture.
