Visual Vocabulary Practice:

The Effects of Guided Visual Vocabulary Practice for Students with Learning Disabilities on Learning Concrete Nouns in Spanish, 2013 Inclusion of students with learning disabilities LD in foreign language courses has been challenging LD students experience individualized dysfunction of the central nervous system CNS which often creates obstacles to acquiring vocabulary in any language CNS dysfunction and disruption of working memory often requires that multi sensory strategies be employed to support students in academic content areas Previous research has explored the impact of multi sensory strategies to support LD students in foreign language courses and has often focused upon course completion as opposed to the relationship of particular strategies to specific domains of language learning This study investigated the impact of a researcher designed multi sensory instructional strategy called Guided Visual Vocabulary Practice GVVP on concrete Spanish nouns

How Scaffolding Works Nancy Frey, Douglas Fisher, John Almarode, 2023-01-13 Provide the perfect structure and support to develop student independence Effective scaffolding leads to learner autonomy but too many educators have been airlifting students to right answers perpetuating a generation who don't know how to learn Yes we know the sweet spot for learning involves giving our students the right blend of productive failure and productive success but how to do it is cloaked in misconceptions How Scaffolding Works unveils the essential moves and methods Ten interactive modules help every K-12 educator structure support in new ways including knowing how to Gradually release responsibility to students through intentional and purposeful scaffolding Design lessons and experiences that attend to the affective metacognitive and cognitive aspects of learning Collect data before during and after learning so we can place move and take away scaffolds with greater intention Promote independence with front end scaffolds distributed scaffolds back end scaffolds peer scaffolds and fading scaffolds Use a blend of demonstration modeling coaching explaining questioning and choice Promote purposeful practice in which learners know where they're going and how to get there Perhaps we rush in to rescue learners because the world seems fraught we want to help our students reach the safety of academic success Our intentions are good but it's time to step back gradually and purposefully and let them pilot their own learning
