Natural Born Shamans - A Spiritual Toolkit for Life Imelda Almqvist, 2016-08-26 Natural Born Shamans A Spiritual Toolkit for Life covers all aspects of performing spiritual or shamanic work with children and young people It is aimed at anyone who has an interest in young people and their spiritual journey and covers all age groups from in utero until age 18

The book explains what shamanic parenting is and describes ways of doing spirit led work even with both unborn babies and spirit children after miscarriage abortion or early death It also provides 30 tried and tested session plans for people looking for inspiration and where to start *The Psi Connection: A Personal Voyage of Discovery* David L. Brown,2024-06-01 A few years ago the author of *The Psi Connection* had a disturbing experience while experimenting with self hypnosis He saw a vision of a past life in which it appeared he had lived as a farmer in the 1800s He tried twice more and each time had a similar vision that seemed to be from the same time and place Frightened by the implications he strongly rejected the possibility that these experiences were real As a journalist with a scientific background he could not accept the reality of this bizarre phenomenon and explained it to himself as having come from his unconscious mind similar to dreams But he still had doubts Finally when he began to talk about the subject he learned that others also had experienced visions of past lives Launched on a voyage of discovery he began to realize that many events in his life could not be explained by science or common sense but only through the manifestation of paranormal powers He continued to interview others who shared their experiences in such things as telepathy psychokinesis distance viewing precognition near death experiences and other uncanny events He began to research the subject and learned that there is a large body of evidence to support the reality of paranormal powers And strikingly he began to see other manifestations of his own mental powers He became aware of the possibility that there are quantum connections between human minds and the universe itself This is his story **A Spirit Walker's Guide to Shamanic Tools** Evelyn C.
