Visions The Souls Path To The Sacred:

Visions Eddie Ensley, 2000 ACCOUNTS OF SPIRITUAL VISIONS **Vision Stories** John E. Sumwalt, 2002 What if Moses had never told anyone about the burning bush What if Paul had kept quiet about his experience on the road to Damascus What if John had never written a word of what he saw during his exile on Patmos The Bible is filled with mystical stories yet modern culture is often uncomfortable with the concept of spiritual visions Though a recent study showed that as many as 44% of Americans have had some sort of mystical experience people are frequently hesitant to share holy moments that might seem strange to others But John Sumwalt discovered that whenever a small group is gathered together and a vision story is told two or three others will recount a similar episode Almost everyone has either a personal vision story or knows of a friend's experience and if they know that its sacredness will be honored most people want to tell their story This remarkable collection shares 69 authentic life changing narratives that witness to the Lord's power and presence Many of these intensely personal accounts have never been told before and whether they concern visions healing or answers to prayer they all demonstrate our spiritual thirst as well as the indescribable joy comfort and peace that comes from encountering the divine Each illustrates a scripture passage from Cycle B of the Revised Common Lectionary so Vision Stories is an especially valuable resource for lectionary preaching But even more it's inspiring reading for personal devotion and spiritual growth This wonderful collection of stories reminds us of a fact our world desperately needs to know that God is alive and well and ready to be at work in our daily lives J Ellsworth Kalas Author of New Testament Stories from the Back Side John Sumwalt has given us a treasury of God's meetings with the daily lives of people Too often we think of God as hidden away in the stories of the Bible Here we see God now encountering people in surprising ways of grace May these stories encourage us to tell one another our stories of God's meetings with us as well Dwight Judy Author of Quest for the Mystical Christ I am very impressed with Vision Stories as a resource for preaching teaching and spiritual formation reading These stories help us to meet what may be the greatest spiritual need of our time to know and to share the experience of the reality of God and the spiritual realm in a materialistic world Charles R Gipson Author of The Three Year Community for Spiritual Formation Through stories and scriptural comparisons Sumwalt offers insight into the extraordinary spiritual experiences of ordinary people Cheryl Kirking Author of Ripples of Joy A noted storyteller John E Sumwalt is the senior pastor of Wauwatosa Avenue United Methodist Church in Milwaukee Wisconsin The author of CSS acclaimed Lectionary Stories series Sumwalt leads seminars and retreats on sharing and understanding visions **Blessed Assurance Through Visions and Dreams** Christal Mae Bindrich, 2012-11-08 God answers prayers in sometimes radical and unexpected ways That's just one lesson shared by author Christal Bindrich as she recounts her many dreams and visions including mystical experiences with deceased loved ones and even an encounter with Jesus in Blessed Assurance through Visions and Dreams She writes her story to give voice to all those who have experienced wonderful spiritual events that give them blessed assurance of a loving

God and an eternal life with our loved ones Through Bindrichs narrative you can awaken your own spiritual awareness and encounter her explorations of the mystery of life beyond precognitive dreams and visions of Jesus Some might have had visitations from those who have crossed over but have disregarded them In Blessed Assurance through Visions and Dreams Bindrichs dreams provide her with spiritual awareness and valuable insight into the future your dreams could illuminate your future as well In this inspirational testimony Bindrich writes honestly and with heart to understand the significance of her own visions ultimately leading her to spiritual awareness and a profound healing Join her on her journey and open yourself up to the power of visions and dreams

Vision, Mental Imagery and the Christian Life Zoltán Dörnyei, 2019-07-03 This book uniquely explores how the notion of vision is presented in modern science and the Bible and how it can be applied to contemporary Christian contexts The word vision our ability to see has been described by an increasing body of scholarship in the social sciences as our capacity for mental imagery and imagination As such this unique cognitive capability has been utilised in many fields for a variety of purposes from arts and psychotherapy to politics and business management and even for performance enhancement in sports The current book argues that a better understanding of vision can have far reaching practical implications for Christian life and ministry by helping people to align themselves with God s specific purposes After a theoretical overview that integrates scientific and theological insights the final chapters present a variety of strategies that can help believers to discern God s call through the use of mental imagery and then to develop and cultivate the perceived vision The book examines the scientific and biblical principles of vision in a comprehensive manner with a special emphasis on the practical implications of the issue As such it will be of great interest to scholars of Theology Biblical Studies and Church Growth Leadership as well as Organisational Behaviour Business Management and Psychology

Shining Moments John E. Sumwalt, 2004 The Bible is filled with stories of shining moments Moses face shone as he came down from the mountain with the ten commandments Jesus face changed and his clothes became dazzling white in a transfiguration witnessed by the disciples Paul was blinded by a light and heard the voice of Christ on the road to Damascus and many modern Christians have had equally life changing experiences of the Lord s power and presence In this third volume of the acclaimed Visions series 60 contributors share their authentic intensely personal accounts of holy experiences Rosmarie Trapp of the Sound of Music family tells of a moment of assurance when the Lord visited me in a bright golden light whose golden glow brought peace to my soul Ralph Milton author of the historical novel *Julian s Cell* describes a visitation by his late sister We were singing together as we often did as children I don t recall ever having a memory or dream as clear and powerful as that one and it left me with a sense of joy and peace Karen Steinke recounts the warmth she felt at the moment of her baptism I looked up to see the form of Jesus with an overpowering light surrounding him Whether

they relate transforming moments like visions healings or visitations by angels joyous moments like being in the presence of a loved one who has died or just the simple sense of God's presence while singing in church or sitting in a sunny meadow on a warm spring day the vignettes in *Shining Moments* are a testament to the indescribable comfort and peace of an encounter with the divine And because each story also illustrates a scripture passage *Shining Moments* is a valuable preaching resource and an excellent catalyst for small group discussion But even more this book provides inspiring and heart warming reading for personal devotion and spiritual growth Praise for other volumes in the *Visions* series This wonderful collection of stories reminds us of a fact our world desperately needs to know that God is alive and well and ready to be at work in our daily lives

Wilson's important book returns to a conservatism in the tradition of Burke, Eliot, and Russell Kirk. He wants us to focus on beauty and its place in Western culture. The book is a strong defense of that culture but not an unthinking one. *Crisis Magazine*: A stirring and timely account and defense of the West's traditional way of understanding the universe and our place in it. Matthew M. Robare, *The Kirk Center*. *Night of a Thousand Dreams* Linda Duquesne, 2011-09. NIGHT OF A THOUSAND DREAMS is a personal journey through the difficulties and mysteries of life. It is the endeavor of one Soul to understand the shadows and light that we all live. The stories, dreams, and challenges presented in this manuscript attempt to simplify many abstract and ancient concepts. The beauty of truth is that it is simple, not complex. The chapter, *Essence of Gold*, speaks to the nuggets of gold truths which are often twisted so tightly by conventional religion that their sacred intent and meaning is lost. Storytelling is an art that weaves the light of truths into the common stories of humanities struggles. These stories serve as an inspiration for me to keep moving forward on my journey. They reveal the spectrum of human emotions. This collection of spiritual stories is my attempt as a storyteller to inspire others to share their unique perspectives and truths. *Path of Vision; pocket essays of East and West* Ameen Rihani, 2022-07-20. In *Path of Vision: Pocket Essays of East and West*, Ameen Rihani artfully intertwines reflections on cultural duality, exploring the intersections of Eastern and Western philosophies through a series of poignant essays. Utilizing a lyrical prose style imbued with rich imagery, Rihani critiques contemporary societal norms while celebrating the harmonizing potential of disparate worldviews. Each essay serves as an invitation to traverse boundaries, cultural, spiritual, and intellectual, positioning Rihani as a precursor to the discourse on globalization and intercultural exchange prevalent in modern literature. Ameen Rihani, an accomplished polymath, poet, novelist, and political activist, attributes his transcontinental narrative to his Lebanese roots and his experiences as an immigrant in the West. His diverse background fosters a unique perspective, allowing him to engage deeply with themes of identity and belonging. Living through significant historical events, Rihani relationally bridges the East's mysticism with the West's rationality, drawing on both his personal narrative and broader human experiences to shape his literary voice. *Path of Vision* is a compelling read for anyone seeking to deepen their understanding of the complexities inherent in cultural dialogue. Rihani's essays resonate with urgency and relevance, making this work essential for scholars of literature, philosophy, and intercultural studies. Readers will find themselves inspired by Rihani's plea for a more harmonious existence amidst diversity.
