Webster S Macedonian English Thesaurus Dictionary Inc Icon Group International:

Webster's Macedonian - English Thesaurus Dictionary Philip M. Parker, 2008-01 While creating an English thesaurus for Macedonian speakers seems simple enough it can be tricky What s the problem Translations do not always follow strict transitivity Normally if a b and b c then c a This is not necessarily true in linguistics when b is an English word that has more than one part of speech For example test is a verb noun and adjective What is the correct English synonym for a in Macedonian when b in English has synonyms c having many parts of speech Furthermore what if a in Macedonian is ambiguous and has several translations into English b This thesaurus embraces this ambiguity by giving as much information to the reader as possible This was accomplished in two phases In the first phase maximum likelihood English translations of the Macedonian subject words are given For all the languages covered in Webster s Online Dictionary translations are determined using rather massive content analyses of translations from various sources including translations of United Nations documents translations of the Holy Bible and similar sources training manuals popular works and academic sources An English translation having the highest probability of being used is reported first then the second most probable is reported second and so on In the second phase English synonyms for all parts of speech including those not related to the original Macedonian subject are given for each English translation generated by the first phase If an English entry is most used as a certain part of speech estimated based on an English language corpus then English synonyms for that part of speech are listed first This indicates to the speaker of Macedonian how the English subject word is most used Other parts of speech are listed based on their frequency of usage in English Within each part of speech synonyms most likely t
