The Volunteer Revolution Unleashing The Power Of Everybody:

The Volunteer Revolution Bill Hybels, 2009-05-18 Pastor Bill Hybels believes that there is a new reality in America. The church has entered an era of growth and unprecedented spiritual opportunity to share the Gospel yet at the same time we face a shrinking economy and a world in crisis. This poses a great resource challenge for the church. In order to reach out to people who are spiritually hungry, the church needs more people to be equipped to serve others. Hybels passionately believes the key to the future of the church is the equation $X \text{ paid staff} + Y \text{ volunteers} = Z \text{ bearing much fruit for God's glory}$. Churches cannot afford to continue hiring more and more staff with limited budgets. The key to resourcing the church is what Hybels calls the Y factor. The Y factor is the pool of volunteers in every church. The great need of the church is to grow the church's volunteer base through the equipping ministry of church staffs. As churches recover the message of Ephesians 4:11-12 to equip God's people for works of service, they will launch a Volunteer Revolution. People are just waiting to discover the gifts and passions that God has given them to serve others and then be invited to use those gifts and passions through the local church in order to advance the kingdom of God on Earth. Hybels believes that every church staff should be helping people discover their spiritual gifts, passions, and place of service in order to meet the growing needs in our churches and world. Hybels makes a clarion call to move beyond volunteer retention to volunteer acquisition. By attracting, connecting, training, and sustaining volunteers, churches will mobilize people into places of service that will bring new meaning to their lives and understand why God put them on planet Earth. Hybels also outlines how we can build lifelong volunteers in the church through community celebration and commendation.

When Leadership and Discipleship Collide Bill Hybels, 2009-05-26 When Leadership and Discipleship Collide. Using stories from his own life and ministry, Bill Hybels shows how the laws for leadership success can sometimes crash headlong into another reality: an inner prompting of the Spirit showing you a different approach. The decisions you make at that point could affect not only you but the ultimate destiny of those you lead.

Rediscovering Church Lynne Hybels, Bill Hybels, 1997-12 Rediscovering Church is the candid story of Willow Creek Community Church's phenomenal growth from 100 members meeting in a Palatine, Illinois movie theater to its present Sunday morning attendance of 15,000. Bill Hybels and his wife Lynne tell about Willow Creek's beginnings, its struggles, the philosophy behind its success, and the strategies that have made it a model for church growth. The first half of the book, written by Lynne Hybels, explores the early years of Willow Creek and the personal accounts behind one of this century's most remarkable church stories. It offers an honest look at the ways God has used both the strengths and weaknesses of His people creating a church of believers who have had tremendous impact for Christ in their community. In the second half of Rediscovering Church, Bill Hybels helps you apply the strengths of Willow Creek's ministry philosophy to your own congregation's mission. From mission statements to developing leadership, making sound financial decisions, and handling growth, Bill stresses that God wants to build His church to be an effective and committed community of faith that reaches out.
