The Way Of The Christian Samurai Reflections For Servant Warriors Of Christ:

The Way of the Christian Samurai: Reflections for Servant-Warriors of Christ Paul Nowak, 2007-06 Christians are called to be both servants and soldiers of Christ As this book demonstrates there is much to be learned from the teachings and example of the Samurai legendary servant warriors of Japan in order for believers respond to Gods call as Christian Samurai Christian *Fight Sports and the Church* Richard Wolff, 2021-02-26 Fighting sports may seem at odds with Christian tradition yet modern ministries have embraced them as a means for evangelism and social outreach While news media often sensationalize fighting sports churches see them as a way to appeal to male congregants presenting a peace loving yet tough model of discipleship From martial arts programs at suburban churches to urban boxing ministries geared towards at risk youth this book examines the substantial history of church sponsored training in combat sports and presents arguments by Christian ethicists about their compatibility with church teachings and settings Interviews with boxing and martial arts ministry leaders describe their programs and the relationship between fight sports and faith *Lukewarm Christian to Warrior for Christ* Charles J. Pettitt, 2011-06-17 The United States of America is at a tipping point Like the teeter totter I played on as a child our beloved country is about to go from a godly country to an ungodly one If we do not act now the liberties that we Christians have enjoyed since the birth of our nation are at risk of being eliminated If we do not ght in unity we will lose our country to secularists who believe Christianity is for the weak We need warriors Christian warriors to take to the battle eld and defeat the enemy BUT HOW DOES ONE BECOME A WARRIOR FOR CHRIST The samurai are arguably the greatest warriors ever Imagine incorporating their dedication and self sacri ce into your Christian walk what a great Warrior for Christ you could become It will not be easy and you will be tested but God is with you as he was with Joshua Be strong and of good courage do not be afraid nor be dismayed for the LORD your God is with you wherever you go JOSHUA 1 9 ITS TIME TO PREPARE FOR BATTLE **Way of the Modern Warrior** Stephen F. Kaufman, 2012-11-10 Learn how to apply bushido philosophy and long standing samurai strategies to your modern day practice and lifestyle in this guide from a former soldier and martial arts expert A warrior is anyone who applies their energy and creativity in support of a cause or ideal through creation or conflict Real warriors have an ethos a guiding belief that provides him or her with a clear purpose for their actions and an understanding that the battle in which they are engaged will have results that lead to a higher good The Way of the Modern Warrior is an explanation of the samurai philosophy or Bushido of Japan s fiercest warriors practiced for over 1 000 years The author Hanshi Stephen Kaufman has been a warrior for 50 years first as a member of the military then as an advisor to the military and finally as one of the world s most distinguished martial arts philosophers In his years of experience he has collected the wisdom that comes from lessons learned and lessons taught The 55 precepts in his new book are the result of those years of experience and these samurai strategies will guide the modern day warrior as they devote energy and creativity to their practice These principles and philosophies drawn from samurai

history include Kaufman's insights about Arrogance Ease and Grace Wise Men and Evil Being Genuine Shame and the Glory The Way of the Modern Warrior is an essential handbook for the 21st century samurai warrior who lives by honor duty and service

The Soul of a Warrior Tim Rezac, 2020-05-19 There is an intriguing correlation between the physical warfare of an infantryman and the spiritual warfare of a follower of Jesus Christ Both of these combat situations are challenging intense and life altering Every Christian has been drafted into the army of God and is engaged in battles with spiritual forces Not very many people in comparison have experienced the horrors of earthly combat The author Tim Rezac has experienced both in a very real and personal sense As a devoted disciple of Jesus he had to wrestle with many spiritual and emotional issues during the Vietnam War This book contains many of those issues with biblical comparisons and practical applications for victorious Christian living Some of the chapters may be uncomfortable to read but are necessary for a lucid description of both types of warfare in the real world This book's primary purpose is twofold To encourage fellow believers toward spiritual maturity as soldiers in the Lord's army and to urgently persuade those who have not yet trusted in Jesus Christ as their Savior to do so May you be eternally blessed as you read and ponder the following pages

Jesus and the Samurai Michael Zomber, 2009-11-05 By 250 AD Christianity had spread throughout India and China Known as the Shining Religion or the Luminous Teaching it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow man The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion By the close of the 16th century Japanese Christians numbered in the millions Fifty years later Christianity was officially proscribed and Christians faced execution for openly practicing their faith Jesus and the Samurai tells their fascinating story with facts drawn from ancient and modern sources
