Toolbox For Crisis Communications In Tourism:

Toolbox for Crisis Communications in Tourism World Tourism Organization, 2011 Crisis communications is a crucial element of a good crisis management system. It helps limit the negative impact of a crisis by addressing the information needs of all industry stakeholders in an efficient, timely and responsible manner. Against this background, UNWTO has developed for the National Tourism Organizations (NTOs), Destination Management Organisations (DMOs) and private sector organisations involved in travel and tourism this comprehensive up-to-date Toolbox on Crisis Communications in Tourism. It includes step-by-step protocols, checklists, sample templates configured by type of crisis and media categories, guidelines for measuring effectiveness, best practices and a special chapter fully dedicated to the use of social media in times of crisis. This Toolbox serves as a practical guide for travel and tourism stakeholders to effectively address the challenges generated by crises. **Toolbox for Crisis Communications in Tourism - Checklists and Best Practices (Arabic Version).** ,

Tourism Through Troubled Times Maximiliano E. Korstanje, Hugues Seraphin, Shem Wambugu Maingi, 2022-09-23 Tourism Through Troubled Times is an illuminating read for all scholars of Tourism Studies, Hospitality Management and the Sociology of Tourism as well as practitioners and managers within the hospitality sector and gives clear insights into the industry's next steps forward. **Crisis Management in Event Planning and Resilient Event Practices** Emmet McLoughlin, 2025-10-09 This is the first textbook to fully integrate crisis preparedness, resilience and sustainability into a unified event management framework. The book offers a practical interdisciplinary approach combining theory, case studies and real-world applications tailored for both students and professionals. It moves beyond traditional risk management by exploring ethical decision-making, inclusion, technology and post-crisis recovery in diverse event contexts. Each chapter includes student activities, applied examples and discussion prompts fostering critical thinking and real-world problem-solving. It is an invaluable resource for undergraduate and postgraduate students studying event management, tourism and hospitality as well as early career professionals and industry practitioners who are seeking to enhance their understanding of crisis preparedness and resilience in events. *Organizational learning in tourism and hospitality crisis management* Zahed Ghaderi, Alexandros Paraskevas, 2021-12-06 Tourism and hospitality organizations have always been exposed to disruptions, stresses and crises, making the management of these adversities a necessary skill. The prolonged and complex turbulence that the industry is often facing from epidemics and pandemics, climate change and extreme environmental phenomena or political instability and economic crashes raise questions: Do these organizations learn from the crises they experience? If so, how do they learn and what do they do with this learning? *Organizational Learning in Tourism and Hospitality Crisis Management* brings together an array of expert academic analyses of the latest thinking and practice on these questions. Drawing on studies conducted around the world including Greece, Iran, Japan, Malaysia, Mexico, Spain, Turkey, UK and USA, the contributors apply a wide range of organizational learning and knowledge management theoretical perspectives and
