He recorded his confessions among other things in his Church. While dealing with an angry enemy and a frustrated love sick crush he must try to deal with life. All this on his trusted laptop. Unveiled Vincent Fantauzzo, 2025-03-04 Raised amid poverty and violence on the poor streets of Melbourne Vincent Fantauzzo was just a boy when he accepted he would either die very young, become a gangster or end up behind bars. Tormented by a troubled home life and dismissed as a simpleton at school where he struggled to read and write Vincent projected a violent and frightening persona as a means of self protection. Inside that tough exterior however lived a thoughtful sensitive and creative boy whose only wish was to be loved and to one day break free of the intergenerational dysfunction he seemed doomed to inherit. He could never have imagined how far his dream of a better life and an uncanny knack for drawing would take him. Virtually illiterate Vincent used forged papers to hustle his way into art school where dark secrets threatened to sink his brilliant career before it even began. Today his work hangs in galleries around the world including the National Portrait Gallery and Federal Parliament House in Canberra. He's sold out international exhibitions won the Archibald Prize People's Choice Award more times than any artist and taken out the Doug Moran Portrait Prize. Twice. Arguably Vincent's most impressive and important achievement is his survival and the remarkable sometimes ridiculous and occasionally glamorous life he willed into existence despite severe and undiagnosed dyslexia that left him with no formal education and debilitating memory problems. Sometimes tragic often hilarious but always deeply moving. *Unveiled* is a paint splattered star studded white knuckle ride from the Housing Commission ghettos of Australia to the art galleries of Hong Kong through the back roads of India and into the nightclubs of New York as Vincent chases his dream with humility humour and a boundless love for people and a life better lived. *Dale Forebearing Secrets* Rhionnan Paulmer, **The Stranger**

Sarah imagined custom avocado wallpaper massive profits and an appreciative husband who would want to share her bed again. Instead the neighbors hate her guts and her husband still sleeps on the couch. And though the builders attempt to cover up Black Wood's horrifying past a series of bizarre accidents threatening notes and unexplained footsteps in the attic only confirm for Sarah

what the rest of the town already knows Something is very wrong in that house With every passing moment Sarah s life spirals further out of control and with it her sense of reality But as she peels back the curling wallpaper and discovers the house s secrets she realizes that the deadly legacy of Black Wood House has only just begun
