Lightweight Travel Trailer Comparison Guide Randall G. Eaton, 2016 **The Complete Guide to Buying, Maintaining, and Servicing a Horse Trailer** Neva Kittrell Scheve, 2008-05-05 Trailers are a fact of life in the horse world. Sooner or later everyone who owns a horse will have to deal with a horse trailer in order to haul to shows, races, hunts, and perhaps even to veterinary clinics. Up to now when horse owners wanted information on trailers, they had to rely on magazine articles or word of mouth recommendations. Not anymore. **The Complete Guide to Buying, Maintaining, and Servicing a Horse Trailer** is the first and only book for both owners and buyers of horse trailers. It's a resource that gives prospective buyers faced with hundreds of models to choose from the means to make the right choice. It's a manual that gives current owners information on maintaining and caring for their trailers. Foremost, they will learn from lifelong horsewoman Neva Scheve and Thomas G. Scheve, both respected industry insiders, that the safety and comfort of the horse should always be the primary concern. This authoritative book, with more than 175 illustrations, addresses a number of important topics, including how to determine whether to buy a new or a used trailer, ask the right questions of the dealer or owner, weigh the options and select the best model for your needs, evaluate tow vehicles and hitches, master pre-trip preparations, care for your current trailer, load, drive, and use a trailer safely, deal with typical exterior, interior, electrical, and mechanical problems, assess the work of repairmen if the job is more than you can handle. Complete is not just an idle word; this book has an appendix that gives the names and addresses of the major trailer manufacturers to contact for literature. In all, the Scheves have given horse owners everything they need to make an informed purchasing decision that will benefit themselves and their horses. **RVs & Campers For Dummies** Christopher Hodapp, Alice Von Kannon, 2021-06-29 Make yourself at home on the road. The book explores the key aspects of glamping with wheels. Discover how it's possible to bring beauty spots right to your doorstep without sacrificing domestic comforts like a comfy bed, private bathroom, and wholesome, healthy home cooking. In a down-home, friendly style, mobile living veterans and husband-and-wife team Christopher Hodapp and Alice Von Kannon welcome you inside to discover everything from deciding to rent or buy the vehicle that best suits your needs to planning and prepping your first journey and then setting yourself up wherever you arrive at the perfect spot. Along the way, you'll learn how to adapt your driving skills to pilot your home on the road as well as how to keep every aspect of it shipshape and ready for action. Explore your RV and camper options. Stock up with the right supplies. Get a snapshot of the mobile home lifestyle. Troubleshoot common problems. Getting there is half the fun, and this guide shows you how to do it safely and in style.
